CONCRETE REPAIRS & PAVING PROJECT BEGINS AT BAY BRIDGE TOLL PLAZA *Three Right Toll Lanes/Booths Closed 24/7*

WHAT: The three right toll lanes and associated toll booths at the Bay Bridge toll plaza (eastbound US 50) will be continuously (24/7) closed. Motorists should use the remaining open toll lanes and booths to the left of the closure.

WHEN: **Sunday, September 28 (starting after 9 p.m.) for 45-60 days.**

WHY: *Toll Dollars At Work.* The toll booth lane closures are part of the Maryland Transportation Authority's (MDTA) \$4.5 million project to remove and replace the existing concrete pavement on the approach to the Bay Bridge toll plaza along eastbound US 50. Three toll lanes will be closed at a time starting on the right side of the plaza.

Since the far right toll lane is designated for permit vehicles, all approved permit vehicles will be detoured. The detour route will direct permit vehicles to eastbound US 50 Exit 32, to Oceanic Drive, to Skidmore Road, to the first driveway on the left, then stop on the left shoulder and wait for a Maryland Transportation Authority Police (MDTAP) officer.

Loads over ten feet wide may only move **Monday through Friday, from 5:30 a.m. to 8:30 a.m., and Monday through Thursday, from 2:30 p.m. to 3 p.m.** All permit loads should call the MDTAP at 410-295-8150 at least one hour prior to arrival at the bridge.

To view real-time traffic camera images on **MDTA** roadways, visit **mdta.maryland.gov**. Know Before You Go! For real-time updates on **major incidents** follow us on Twitter at **twitter.com/TheMDTA**. Find us on Facebook at **facebook.com/TheMDTA**. Call 511 or visit **MD511.org** for statewide travel information.

The MDTA thanks motorists for their patience.
