## **Attention small and minority business owners!**

Small and minority business owners interested in increasing their exposure to State, local and federal government contracting opportunities are encouraged to attend a free workshop focused on Maryland's **Minority Business Enterprise (MBE) and Disadvantaged Business Enterprise (DBE) certification** program.

### **Demystify the Application Process**

- Receive a comprehensive overview of the certification process.
- Take an indepth look at the Uniform Certification Application.
- Meet with a certification expert one-on-one and ask questions about the application as it relates specifically to your business.

### **Who Should Attend?**

- Firms interested in learning about the benefits of MBE/DBE certification.
- Firms with questions about the application and/or the application process.
- Firms seeking guidance on specific elements of the application.

The **MBE/DBE Application Assistance Workshop** is hosted by the Maryland Department of Transportation's (MDOT) Office of Minority Business Enterprise (OMBE) – *the official certification agency for the State.*

**The free workshop is held on the first Tuesday of every month. Online pre-registration is strongly encouraged.**
