APPENDIX E

Boarding and Alighting Activity Maps

The following maps illustrate average weekday boardings and alightings by stop and direction for local bus routes, based on spring 2013 Automatic Passenger Counter (APC) outputs. Due to data quality issues, the following maps are not presented:

- 3X, 5X, 10X, 15X, and 19X in all directions
- 56 Westbound
- 150 in both directions
