The Honorable Martin J. O'Malley
Governor of Maryland
State House
100 State Circle
Annapolis, Maryland 21401-1925

Dear Governor O'Malley,

On behalf of your Subcabinet for Base Realignment and Closure (BRAC), it is my pleasure to present for your review and consideration the State of Maryland BRAC Action Plan.

During the past seven months, the BRAC Subcabinet has undertaken a comprehensive process of soliciting and compiling information from our federal and local government partners, as well as input from the community, to develop a sound Action Plan. Pursuant to the legislation that created the Subcabinet, we have developed BRAC-related initiatives in education, workforce creation, business development, community infrastructure and growth, workforce housing, environmental stewardship, and transportation. This Action Plan is the blueprint for the State's actions moving forward.

I look forward to working with you and the members of your Subcabinet as we welcome the men, women and families who will come to live, work and make Maryland their home in the coming years.

Maryland is ready!

Sincerely,
