Screening of Draft Maryland Law Enforcement Bicycle Traffic Safety Training Video

Tuesday, November 1, 2011

4:30 to 6:30 PM

Maryland Department of Transportation

Harry Hughes Suite 1-Ground Floor

7201 Corporate Center Drive

Hanover, MD 21076

The Maryland State Police and the Maryland Department of Transportation have developed a draft training video intended for Maryland law enforcement personnel so they can provide improved traffic enforcement and crash investigation services affecting bicyclists. The training video has been funded through a grant from the Maryland Highway Safety Office.

The draft training video is approximately 30 minutes in length. The purpose of this screening is to provide an opportunity for members of the public, under the auspices of the Commuting and Transportation Subcommittee of the Maryland Bicycle and Pedestrian Advisory Committee, to view and comment on the quality of the draft video.

Please note that at this point only minor changes ensuring the accuracy of the information being portrayed can be made at this time given our remaining budget balance for this training video.

Please RSVP if planning to attend at mjackson3@mdot.state.md.us or 410-865-1237.
