RE: FY 2012 MDOT Transportation Priorities Letter

Dear Commissioner Mullin,

In response to a request from Anthony Di Giacomo, Principal Planner for Cecil County, I, along with my fellow Commissioners have reviewed your draft letter dated August 12, 2011, to Beverly K. Swaim-Staley, Secretary for the Maryland Department of Transportation.

Our comments, specific to North East, are as follows:

The Town respectfully requests your letter to Ms. Swaim-Staley include the following:

Public Transportation: Item 1. Add North East as one of the stops for the extension of the existing MARC Penn Line commuter rail service.

US 40 Corridor Intersection Improvements. We request pedestrian passage be provided across US Route 40.

In closing, the Town requests that at such time preliminary discussion occurs regarding the above matters, the Town be included.

On behalf of the Commissioners of the Town of North East, thank you for this opportunity to review and comment on the Cecil County FY 2012 Transportation Priorities.

Sincerely yours,

Robert F. McKnight
Mayor
