Greetings,

As requested by MDOT in the e-mail below, TPB staff have modified the 2013-2018 Transportation Improvement Program to correct the limits of MD 223, which are currently identified as being from Steed Road to MD 5. The actual limits are from Steed Road to MD 4 as detailed in the attachment.

This is an administrative modification for a TIP as defined in the document, "Procedures for Revisions to the Constrained Long Range Plan (CLRP) and Transportation Improvement Program (TIP) for the National Capital Region," which was adopted by the TPB on January 16, 2008.

Please let me know if you have any questions.
