Dear Mr. Halligan:

We have completed our review of the State request (MDOT Control # 13-08) to modify the Fiscal Year (FY) 2013 Statewide Transportation Improvement Program (STIP) and FY 2013-2018 Transportation Improvement Program (TIP) for the National Capital Region Transportation Planning Board. Specifically, the STIP/TIP is being modified to correct the limits of the MD 223 project, which were identified as being from Steed Road to MD 5. The actual limits are from Steed Road to MD 4.

We accept this modification and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP/TIP modification please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

for Gregory Murrill
Division Administrator
