Re: Amendment to the FY 2013 Maryland Statewide Transportation Improvement Program,  
MDOT Control #13-18

Dear Mr. Nixon:

In a letter, dated October 3, 2012, the Maryland Department of Transportation (MDOT) requested approval of an Amendment to the FY 2013 Statewide Transportation Improvement Program (STIP). This STIP Amendment adds State of Good Repair funds to replace buses for transit service operated in the Town of Ocean City and to develop a Statewide Transit Asset Management System (Phase 1).

Since the advancement of these projects does not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP Amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved Amendment to the approved FY 2013 STIP. The FTA hereby approves the inclusion of these projects as an Amendment to the STIP. This approval does not constitute an obligation of federal funds. The FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, Community Planner, of my staff is available at (215) 656-7121 if you have questions concerning this approval.

Sincerely,

Vida Morkunas, Director  
Office of Planning and Program Development
