Mr. Don Halligan Director,
Office of Planning and Capital Programming, MDOT
7201 Corporate Center Drive
P.O. Box 548
Hanover, Maryland 21076

Dear Mr. Halligan:

We have completed our review of the State request (MDOT Control # 13-03) to modify the Fiscal Year (FY) 2013 Statewide Transportation Improvement Program (STIP) and FY 2011-2016 Transportation Improvement Program (TIP) for the National Capital Region Transportation Planning Board. Specifically, the STIP/TIP is being modified to break out three projects from two grouped projects because the costs of these projects exceed \$5 million:

- I -95 resurfacing
- MD 193 Bridge over I-495
- MD 4 at MD 223

We accept this modification and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP/TIP modification please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

G Gregory Murrill
Division Administrator
