Dear Mr. Halligan:

We have completed our review of the State request (MDOT Control # 13-70) to amend the Fiscal Year (FY) 2013 Statewide Transportation Improvement Program (STIP). Specifically, the STIP is being amended to add State funds for the Preliminary Engineering Phase of the MD Route 4 Thomas Johnson Bridge over the Patuxent River in Calvert and St. Mary Counties.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

  
Gregory Murrill  
Division Administrator
