**Re: Amendment to the FY 2014 Maryland Statewide Transportation Improvement
Program, MDOT Control #14-05**

Dear Mr. Nixon:

The Maryland Department of Transportation (MDOT) requested approval of an amendment to the FY 2014 Statewide Transportation Improvement Program (STIP) (Control#14-05 dated June 13, 2014). The Amendment adds additional funding for preventative maintenance for the Tri-County Council for the Lower Eastern Shore and decreases funding for the purchase of vehicles.

These projects do not alter any conformity findings nor interfere with any State Implementation Plan projects. Per agreement, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of these STIP Amendments are not required. In accordance with your procedures to incorporate the Metropolitan Transportation Improvement Programs (MTIPs) into the STIP by reference, these projects are part of an approved amendment to the approved FY 2014 STIP. FTA hereby approves the continuation of these projects as an amendment to the STIP. This approval does not constitute an obligation of Federal funds. FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application.

Ms. Kathleen Zubrzycki, Community Planner, of my staff, is available at (215) 656-7262 if you have questions concerning this approval.

Sincerely,

Vida Morkunas, Director
Office of Planning and Program Development
