Subject: Request to Administratively Modify the FY15 TPB TIP - 6481 US 15 at MD 26

Andrew –

SHA is requesting that TPB administratively modify TIP 6481 US 15 (Catoclin Mountain Highway) at MD 26 Bridge Replacement . SHA is requesting to add \$1,000,000 to this project.

Specifically, MDOT is requesting to modify construction funding to reflect an increase in construction cost to add \$250,000 (State) to FY 2016; \$750,000 (State) to FY 2017.

Per the 10/29/2014 FHWA/MDOT MOU, MDOT/SHA can modify a greater than \$3 million and less than \$10 million project if that action constitutes less than 30 percent of the previous total project cost. This modification adds 28.3 percent (\$1,000,000) to the former total project cost (\$3,530,000); therefore, this action is eligible as a modification. The TIP item has been modified in the iTIP as well.

When approved, please email Kari Snyder and Lyn Erickson (cc'ed) at MDOT so that they can process the necessary STIP amendment. Due to the project ad date of November 3, 2015, any assistance in expediting this approval would be appreciated.

Thank you,

Samantha Biddle, AICP
