Ron and Lyn,

As requested by Frederic County in the e-mail below, TPB staff have modified the 2013-2018 Transportation Improvement Program as detailed in the attachment.

This is an administrative modification for a TIP as defined in the document, "Procedures for Revisions to the Constrained Long Range Plan (CLRP) and Transportation Improvement Program (TIP) for the National Capital Region," which was adopted by the TPB on January 16, 2008. Please let me know if you have any questions.

Hi Jerry - This is to request an administrative modification of TIP ID 3173: Various Bridges - County CIP for Frederick County, to transfer \$220,500 from FY 13 to FY 14. This is for the purpose of federal reimbursement of 80% of the transfer for covered bridge preservation projects.
