Dear Chairman Mendelson:

The Maryland Department of Transportation (MDOT) requests two amendments to the State Highway Administration (SHA) portion of the FY 2015-2020 Transportation Improvement Program (TIP) as described below and in the attached memo. The additional funds for these projects are available due to an increase in federal aid obligational authority. Both projects are bridge replacement system preservation projects and do not impact air quality conformity.

TIP ID#	Project	Phase	Amount of New Funding	Comment
6437	I-95/I-495 (Capital Beltway) Suitland Road Bridges 16062 Replacement, Forestville/Westphalia	PE CO	\$2,552,000 \$11,440,000	This is a bridge replacement system preservation project. Due to the project cost, this project has been broken out of the grouped projects section and is now a stand alone project.
6438	I-95/I-495 (Capital Beltway) Suitland Parkway Bridges 16060 Replacement, Morningside	CO	\$11,440,000	This is a bridge replacement system preservation project. Due to the project cost, this project has been broken out of the grouped projects section and is now a stand alone project.

MDOT requests that this amendment be approved by the Transportation Planning Board (TPB) Steering Committee at its April 3, 2015 meeting.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.

We appreciate your cooperation in this matter.
