RE: Administrative Modification to the Fiscal Year (FY) 2014 Maryland Statewide Transportation Improvement Program (STIP) in the Baltimore Region to update Chesterfield Road Bridge over Bacon Ridge Branch.

MDOT Control #14-91

Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby modifies the FY 2014 Maryland STIP to reflect adding federal funding to an existing project in the 2014-2017 Baltimore Regional Transportation Board's (BRTB) Transportation Improvement Program (TIP). Attached please find supporting documentation including the notification letters documenting the February 5, 2015, BRTB Executive Committee action approving the modification. A brief description of the action being taken on this project is shown below:

- Chesterfield Road Bridge over Bacon Ridge Branch – changes the fund source from STP (Surface Transportation, Bridge (Off-System)) to Bridge Replacement and Rehabilitation. The amount of funds remains unchanged.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained.
