RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program (STIP) to include the FY 2009-2014 Transportation Improvement Program for the Washington Metropolitan Region. MDOT Control # 08-09.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program (STIP) to include the FY 2009-2014 Transportation Improvement Program for the Washington Metropolitan Region. The TIP was approved by the National Capital Region Transportation Planning Board on November 19, 2008 and was subsequently found to meet air quality conformity requirements by the Environmental Protection Agency and the US Department of Transportation on February 17, 2009. MDOT concurs with this endorsement. A copy of the document is attached.

The Maryland STIP continues to be fiscally constrained. As I think you are aware MDOT will not submit a FY 2009 STIP and it is anticipated that a 2010 STIP will be submitted for Federal approval this Fall.

Dear Mr. Halligan:

We have completed our review of Amendment Number 08-09 to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) that was submitted with your February 25, 2009 letter. This STIP Amendment package adds highway projects of the FY 2009-2014 Transportation Improvement Program (TIP) for the Washington Metropolitan Region.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779.7158.

RE: Administrative Modification to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an Administrative Modification to the Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program. MDOT Control # 08-10.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby administratively modifies the FY 2008-2012 Statewide Transportation Improvement Program to reflect an administrative modification to the Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program. The modification which was made by Metropolitan Planning Organization on February 18 provides for the programming of federal funds made available by the American Recovery and Reinvestment Act. Documentation which is attached includes the MDOT request to the MPO including a project list and a copy of the email confirmation of concurrence from the MPO.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act was signed into law on February 17, 2009, and the Federal Department of Transportation has advised the State Departments of Transportation and Metropolitan Planning Organizations to take necessary actions to be able to access the funding quickly and efficiently. At this time, the Maryland Department of Transportation (MDOT) is continuing to evaluate the details and criteria of the final legislation. However, we have identified a list of immediate projects that know will qualify for this funding and have the desired impact of supporting jobs and our economy. These are projects that have already been approved in the 2009-2014 Transportation Improvement Program (TIP), are exempt from Air Quality Conformity, and are planned to be advertised for construction between now and mid-March. These projects are found in the TIP in our System Preservation Program section listed by funding category. MDOT would like to modify the 2009-2014 TIP to change the funding source for these projects. Therefore, we request an Administrative Modification for the following project categories.

Please change the funding source from 80% Federal/20% State to 100% Federal/0% State:

- Environmental Projects (TIP #M-15-2) - $200,000
- Safety and Spot Improvements (TIP #M-15-5) - $14.7 million
- Resurfacing and Rehabilitation (TIP #M-16-2) -$59.1 million
- Bridge Replacement/Rehabilitation (TIP #M-15-3) - $3.4 million
- MARC System Preservation & Improvement (TIP #TM-21-1) - $2.9 million (5307 grant)
- Small Urban Systems – Capital (TIP #TM-23-3) - $2.0 million (5307 Grant)
- Local Bus Replacement – Montgomery & Prince George's (TIP #TM-19-3) - $3 million (5307 grant)

You will find a list of specific projects we intend to fund by category in the attachment. We recognize that providing such a list is not a requirement but thought it would be useful information for Transportation Planning Board members to have.

Subject: FY 2009 TIP Modification Request
Attachments: MDOT FY 2009 TIP Modification lt 2.18.09.pdf

Dear Lyn,

As requested by MDOT in the attached letter of February 18, 2009, TPB staff will modify the TPB's FY 2009-2014 TIP to revise the funding source of the project categories listed in the letter. We will change the funding source from 80 percent federal and 20 percent state to 100 percent federal funds from the American Recovery and Reinvestment Act.

This is an administrative modification for a TIP as defined in the document, "Procedures for Revisions to the Constrained Long Range Plan (CLRP) and Transportation Improvement Program (TIP) for the National Capital Region," which was adopted by the TPB on January 16, 2008.

Please let me know if you have any questions.

BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #09-17

ADMINISTRATIVE MODIFICATION TO THE 2008-2012 BALTIMORE REGION TRANSPORTATION IMPROVEMENT PROGRAM TO INCLUDE FUNDING FROM THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the Baltimore Regional Transportation Board is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, on February 17, 2009, the American Recovery and Reinvestment Act, which appropriates $48.1 billion dollars for transportation infrastructure nationwide, including $35.2 billion in formula funding was signed into law; and

WHEREAS, Maryland's share of formula funds under the American Recovery and Reinvestment Act of 2009 is estimated at $610 million to be directed at maintaining and improving existing transit systems, roads and bridges; and, that these funds will be distributed to a wide range of "fix-it first" projects to allow the benefit to be felt by workers and families in every region of the state; and

WHEREAS, under Phase One of the One Maryland Transportation Recovery Program, $365 million in highway and transit federal formula funded projects will be ready for advertising by mid-March 2009 (Highway) or late June 2009 (Transit) supporting approximately 9,900 jobs; and

WHEREAS, under Phase One, the Baltimore region is estimated to receive an estimated $70 million in highway funds for resurfacing, safety, environmental and bridge projects as well as an estimated $126 million in transit funding for bus vehicle purchases, MARC station improvements, Metro system improvements and local bus facilities (see Attachment 1); and

WHEREAS, the highway and transit projects in the Baltimore region being funded under Phase One are for system preservation and therefore programmatically exempt from conformity analysis, and will not worsen the region's air quality, delay the timely attainment of national air quality standards or interfere with implementation of any transportation control measures; and, that the addition of these projects meet conformity requirements as stated in the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, federal regulations require that all transportation-related projects in receipt of federal aid must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, the Maryland Department of Transportation has requested an administrative modification to the 2008-2012 Baltimore Region Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the projects listed in Attachment 1 as an administrative modification to the 2008-2012 Baltimore Region Transportation Improvement Program.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its February 24, 2009 meeting.

AMENDING THE F.Y. 2008-2011 TRANSPORTATION IMPROVEMENT PROGAM

RECITALS

WHEREAS, the Economic Stimulus Package recently signed by the President will result in additional transportation funding for the states of Maryland and West Virginia, and

WHEREAS, the additional funding will make it possible to advance certain projects to construction at an expedited rate, thus requiring that these projects be added to the region's Transportation Improvement Program, and

WHEREAS, the attached administrative project amendments have been proposed by the Maryland Department of Transportation for inclusion in the Hagerstown Eastern Panhandle Metropolitan Planning Organization's (HEPMPO) FY 2008-2011 TIP and the FY 2009 State Transportation Improvement Programs (STIP); and

WHEREAS, the proposed amendments have been determined to be programmatically exempt for purpose of Air Quality Conformity, and

WHEREAS, the MPO Technical Advisory Committee has reviewed the proposed amendments and recommended Interstate Council approval; and

WHEREAS, the public review and comment process for the proposed amendments have been initiated according to the adopted MPO public participation process.

NOW, THEREFORE, BE IT RESOLVED by the Hagerstown-Eastern Panhandle Metropolitan Planning Organization that the F.Y. 2008-2011 Transportation Improvement Program is hereby-amended contingent upon receiving no adverse public comments and as outlined in the attached pages.

RE: Administrative Modification to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an Administrative Modification to the Cumberland Urbanized Area MPO FY 2008-2012 Transportation Improvement Program. MDOT Control # 08-14.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby administratively modifies the FY 2008-2012 Statewide Transportation Improvement Program to reflect an administrative modification to the Cumberland Urbanized Area MPO FY 2008-2012 Transportation Improvement Program. The modification which was made by the Allegany County Commissioners on March 5 provides for the programming of federal funds made available by the American Recovery and Reinvestment Act. Documentation which is attached includes the executed resolution of the MPO and project forms.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program (STIP) to include the FY 2009-2012 Transportation Improvement Program for the Wilmington Metropolitan Region. MDOT Control # 08-15.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program (STIP) to include the FY 2009-2012 Transportation Improvement Program for the Wilmington Metropolitan Region. The TIP was adopted by the WILMAPCO Council on April 10, 2008. MDOT concurs with this adoption. A copy of the document is attached.

The Maryland STIP continues to be fiscally constrained. As I think you are aware MDOT will not submit a FY 2009 STIP and it is anticipated that a 2010 STIP will be submitted for Federal approval this Fall.

If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. Dear Mr. Halligan:

We have completed our review of Amendment Number 08-015 to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) that was submitted with your March 10, 2009 letter. This STIP Amendment package adds highway projects of the FY 2009-2012 Transportation Improvement Program (TIP) for the Wilmington Metropolitan Region (Cecil County).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779.7158.

RESOLUTION BY THE SALISBURY/WICOMICO METROPOLITAN PLANNING ORGANIZATION COUNCIL APPROVING AN ADMINISTRATIVE MODIFICATION OF THE HIGHWAY ELEMENT OF THE FY 2008-2011 TRANSPORTATION IMPROVEMENT PROGRAM TO INCLUDE PROJECTS FUNDED THROUGH THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the Salisbury/Wicomico Metropolitan Planning Organization (S/W MPO) was established to conduct regional transportation planning for the MPO area in accordance with Federal requirements; and

WHEREAS, the S/W MPO Council is the governing body for the S/W MPO; and

WHEREAS, the S/W MPO Council initially adopted the FY 2008-2011 Transportation Improvement Program (TIP) for the S/W MPO Area in compliance with applicable Federal programs and regulations on December 19, 2007; and

WHEREAS, the S/W MPO Council subsequently adopted a revision to the Highway Element of the FY 2008-2011 Transportation Improvement Program (TIP) for the S/W MPO Area in compliance with applicable Federal programs and regulations on June 18, 2008; and

WHEREAS, the Maryland Department of Transportation has presented a proposed administrative modification to add funding provided by the American Recovery and Reinvestment Act of 2009 to the Highway Element of the FY 2008-2011 TIP for the Council to consider; and

WHEREAS, the proposed administrative modification to the Highway Element of the FY 2008-2011 TIP has undergone appropriate review by the Council, and the Council has determined that the revised TIP is consistent with its plans and programs;

NOW, THEREFORE, BE IT RESOLVED that the S/W MPO Council, at its March 9, 2009 public meeting, does hereby adopt and endorse the FY 2008-2011 Transportation Improvement Program for the S/W MPO Area to incorporate the administrative modification to the Highway Element.

RESOLUTION
BY THE WILMINGTON AREA PLANNING COUNCIL (WILMAPCO)

AMENDING THE FY2009-FY2012 TRANSPORTATION IMPROVEMENT PROGRAM CECIL COUNTY ELEMENT

WHEREAS, the Wilmington Area Planning Council (WILMAPCO) has been designated the Metropolitan Planning Organization for Cecil County, Maryland and New Castle County, Delaware by the Governors of Maryland and Delaware, respectively; and

WHEREAS, the United States Department of Transportation's (USDOT) Regulations of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Metropolitan Planning Requirements, require that, in air quality non-attainment areas, the MPO, in cooperation with participants in the planning process, develop and, at least every four years, updates the Transportation Improvement Program (TIP); and

WHEREAS, the WILMAPCO TIP format incorporates a four-year period for the listing of priority projects to be implemented, as well as a list of program development projects; and

WHEREAS, the FY2009-2012 TIP has undergone appropriate community and technical reviews; and

WHEREAS, the TIP must be determined to be air quality conforming in accordance with SAFETEA-LU and Clean Air Act and Amendments (CAAA) of 1990 requirements; and;

WHEREAS, the FY2009-2012 TIP has been found to be financially constrained, as directed by 23 CFR 450.324 (e), and consistent with the Regional Transportation Plan;

NOW, THEREFORE, BE IT RESOLVED that the Wilmington Area Planning Council does hereby amend the FY2009-2012 Transportation Improvement Program to include amended projects as presented, subject to available funding from the federal economic stimulus legislation.

Re: Amendments to the FY 2009-12 TIP, Cecil County Element

The WILMAPCO Air Quality Subcommittee (AQS) has decided that four FY 2009 TIP amendments associated with the *2009 American Recovery and Reinvestment Act* in Cecil County, Maryland do not trigger a revised conformity analysis.

The four amendments reviewed were:

- Safety, Area-wide Signing
- Congestion Management (Park and Ride Lot at MD 222 and Blythdale Rd.)
- Area-wide Resurfacing
- Safety Improvements Associated with Resurfacing

These projects were determined not of conformity concern through a series of e-mails between subcommittee members between March 5 and March 10, 2009. Participating agencies were: WILMAPCO, the Maryland Department of the Environment, the Maryland Department of Transportation, the Delaware Department of Transportation, the Environmental Protection Agency, the Transportation Management Association of Delaware, the Delaware Department of Natural Resources and Environmental Control and the Federal Transit Administration. Communications from these agencies are attached.

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
For the Wilmington metropolitan region, MDOT control #08 – 17

Dear Mr. Halligan:

In your letter of March 13, 2009, you requested approval of an amendment to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adjusts funding levels to reflect funds available or committed for the first year of the STIP.

Since the funding level adjustments do not alter any conformity findings nor interfere with any State Implementation Plan (SIP) projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the Maryland Transportation Improvement Programs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the amendment to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

Sincerely,

Michele Destra

Dear Mr. Halligan:

We have completed our review of Modifications to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include the American Recovery and Reinvestment Act (ARRA) funded highway projects for the following remaining MPOs: Cumberland Urbanized Area; Salisbury/Wicomico; Wilmington Area Planning Council (Cecil County); and Hagerstown.

Since the State/MPO changes to the STIP/TIPs are minor (administrative modifications), no Federal approval is needed. However, we have changed the funding source of these projects from 80% Federal 20% State to100% Federal and 0% State, in the Fiscal Management Information System (FMIS) to facilitate ARRA reporting requirements. We accept these modifications and find that they were developed based on a continuing, cooperative, and comprehensive transportation planning process.

We appreciate the State's effort in working cooperatively with the MPOs to modify the STIP/TIPs to include ARRA highway projects. The State is encouraged to continually work with the MPOs to complete Phase II of the ARRA program.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Administrative Modification to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Revise Funding Categories for MD 404 Project (~~MDOT Control #08-17~~), US 50 Resurfacing Project (MDOT Control ~~#08-18~~) and MD Areawide Signalization Improvements (MDOT Control #08-19)

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby administratively modifies the FY 2008-2012 Statewide Transportation Improvement Program (STIP) to reflect changes in funding source categories including the addition of American Recovery and Reinvestment Act (ARRA) funding for the MD 404 project. This statewide/non urban highway project provides for a major upgrade of MD 404 and this modification will cover the segment from 1,500 feet west of Cemetary Road to 2,000 feet east of MD 80. The revised funding is as follows:

ARRA (100% Federal)		$7.7 m
STP 2006 Earmark (100% Federal)		2.0 m
HP and NHS Funding (80% Federal 20% State)		7.9 m
	Total	$17.6 m

The project is currently in the STIP under reference #CO 3231.

RE: Administrative Modification to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an Administrative Modification to the Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program. MDOT Control # 08-20.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby administratively modifies the FY 2008-2012 Statewide Transportation Improvement Program to reflect an administrative modification to the FY 2009-2014 Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program. The administrative modification which was made by Transportation Planning Board staff on April 14, 2009 provides for funding source changes for six project categories for previously programmed projects as shown in the attachments.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. Ms. Erickson:

As requested by MDOT in the attached letter of April 14 2009, TPB staff have modified the TPB's FY 2009-2014 TIP to include American Recovery and Reinvestment Act (ARRA) funding for the MDOT projects as described in the letter. These funding modifications are shown on the attached pages from the electronic TIP.

This is an administrative modification for a TIP as defined in the document, "Procedures for Revisions to the Constrained Long Range Plan (CLRP) and Transportation Improvement Program (TIP) for the National Capital Region," which was adopted by the TPB on January 16, 2008.

Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act (ARRA) was signed into law on February 17, 2009. Thanks to your help, the Maryland Department of Transportation (MDOT) has been able to obligate the first 50 percent of the funding allocated to us for what we have called our "Phase 1" projects. Over the next several months, we will again be seeking your assistance to access the remainder of the ARRA funding. MDOT had developed the State portion of our "Phase 2" project list. These are projects that have already been approved in the 2009-2014 Transportation Improvement Program (TIP) and are exempt from Air Quality Conformity. These projects are found in the TIP in our System Preservation Program section listed by funding category. MDOT would like to modify the 2009-2014 TIP to change the funding source for these projects. Therefore, we request an Administrative Modification for the following project categories.

Please change the funding source to 100% Federal/0% State ARRA Funding:

- Environmental Projects (TIP #M-15-2) - $1.5 million
- Safety and Spot Improvements (TIP #M-15-5) - $13.2 million
- Resurfacing and Rehabilitation (TIP #M-16-2) - $22.4 million
- Bridge Replacement/Rehabilitation (TIP #M-15-3) - $9.5 million
- Congestion Management (TIP #M-15-4) - $3.4 million
- MARC System Preservation & Improvement (TIP #TM-21-1) - $2.3 million (5307 grant): Southbound platform rehabilitation at MARC Laurel Station and MARC Muirkirk Sidewalk Retaining Wall Repair

You will find a list of specific projects we intend to fund by category in the attachment. Please look at the Phase 2 projects only, as the projects funded in Phase 1 have already been approved. We recognize that providing such a list is not a requirement but thought it would be useful information for Transportation Planning Board members to have.

Dear Mr. Halligan:

We have completed our review of administrative modifications to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include the American Recovery and Reinvestment Act (ARRA) funded highway projects (Phase II) for the Washington Metropolitan Region.

Since the State/MPO changes to the STIP/TIPs are minor (administrative modifications), no Federal approval is needed. We accept these modifications and find that they were developed based on a continuing, cooperative, and comprehensive transportation planning process.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an amendment to the Hagerstown/Eastern Panhandle Metropolitan Planning Organization FY 2008-2011 Transportation Improvement Program. MDOT Control # 08-21.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the FY 2008-2011 Hagerstown/Eastern Panhandle Metropolitan Planning Organization Transportation Improvement Program. The amendment which was approved by the MPO Interstate Council on March 25, 2009 provides for the programming of additional federal funding made available by the American Recovery and Reinvestment Act of 2009. The amendment adds funds for the local transit system, intersection improvements and several areawide traffic and safety projects. Documentation which is attached includes the MPO Interstate Council Resolution and project information forms.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. RE: TIP Amendments – FY 2008-2011

Dear Mr. Nixon:

Please be advised that the Hagerstown/Eastern Panhandle MPO Interstate Council took action at their meeting held on March 25th, 2009 to approve Maryland's request to amend the FY 2008-2011 HEPMPO TIP contingent upon the completion of the public involvement process and on the condition of no adverse comments. The public comment period has closed and we received no comments on the proposed revisions, therefore the FY 2008-2011 TIP has been amended to include the following projects:

FEDERAL PROJECT #	*PROJECT NAME*	**CHANGE/ADDITION**
Pending	**ARRA-Funding for local Transit Systems**	**New ARRA project**
MD 65 @ MD 63	**Intersection Improvement**	**New ARRA project**

Pending	**Traffic Signal Upgrades**	**New ARRA project**
Pending	**Dynamic Message Signs**	**New ARRA Project**
Pending	**Traffic Detection @ signalized Intersections**	**New ARRA Project**

I have attached a copy of the MPO's Resolution 09-09 adopting the referenced amendment(s) as part of the FY 2008-2011 TIP as well as a copy of the TIP project sheets for your use. If you have any questions regarding this action, please contact me.

RESOLUTION NUMBER 09-09

A RESOLUTION BY THE HAGERSTOWN/EASTERN PANHANDLE METROPOLITAN PLANNING ORGANIZATION (HEPMPO)

AMENDING THE F.Y. 2008-2011 TRANSPORTATION IMPROVEMENT PROGAM

RECITALS

WHEREAS, the American Recovery and Reinvestment Act (ARRA) of 2009 provided additional transportation funding for the states of Maryland and West Virginia, and

WHEREAS, the additional funding will make it possible to advance certain projects to construction at an expedited rate, thus requiring that these projects be added to the region's Transportation Improvement Program, and

WHEREAS, the attached project amendments have been proposed by the Maryland Department of Transportation for inclusion in the Hagerstown Eastern Panhandle Metropolitan Planning Organization's (HEPMPO) FY 2008-2011 TIP and the FY 2009 State Transportation Improvement Programs (STIP); and

WHEREAS, the proposed amendments have been determined to be programmatically exempt for purpose of Air Quality Conformity, and

WHEREAS, the MPO Technical Advisory Committee has reviewed the proposed amendments and recommended Interstate Council approval; and

WHEREAS, the public review and comment process for the proposed amendments has been initiated according to the adopted MPO public participation process.

NOW, THEREFORE, BE IT RESOLVED by the Hagerstown-Eastern Panhandle Metropolitan Planning Organization that the F.Y. 2008-2011 Transportation Improvement Program is hereby-amended contingent upon receiving no adverse public comments and as outlined in the attached pages.

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
Hagerstown Metropolitan Area Amendment MDOT control #08-21

Dear Mr. Halligan:

In your letter of April 22, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds American Recovery and Reinvestment Act projects and associated funding to the FY 2008 STIP.

Since the advancement of these projects does not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #09-21

ADMINISTRATIVE MODIFICATION TO THE 2008-2012 BALTIMORE REGION TRANSPORTATION IMPROVEMENT PROGRAM TO INCLUDE FUNDING FROM THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the Baltimore Regional Transportation Board is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, on February 17, 2009, the American Recovery and Reinvestment Act, which appropriates $48.1 billion dollars for transportation infrastructure nationwide, including $35.2 billion in formula funding was signed into law; and

WHEREAS, Maryland's share of formula funds under the American Recovery and Reinvestment Act of 2009 is estimated at $564.9 million (does not include WMATA) to be directed at maintaining and improving existing transit systems, roads and bridges; and, that these funds will be distributed to a wide range of "fix-it first" projects to allow the benefit to be felt by workers and families in every region of the state; and

WHEREAS, under Phase Two of the One Maryland Transportation Recovery Program, $37.4 million in highway federal formula funded projects are ready for advertising as listed in Attachment 1 that are directed to system preservation and therefore programmatically exempt from conformity analysis, and will not worsen the region's air quality, delay the timely attainment of national air quality standards or interfere with implementation of any transportation control measures; and, that the addition of these projects meet conformity requirements as stated in the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, federal regulations require that all transportation-related projects in receipt of federal aid must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, the Maryland Department of Transportation has requested an administrative modification to the 2008-2012 Baltimore Region Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the projects listed in Attachment 1 as an administrative modification to the 2008-2012 Baltimore Region Transportation Improvement Program.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its April 28 meeting.

Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-22) to modify the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include the American Recovery and Reinvestment Act (ARRA) funded highway projects Phase II for the Baltimore MPO.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an Amendment to the Baltimore Region FY 2008-2012 Transportation Improvement Program. MDOT Control # 08-23.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the Baltimore Region FY 2008-2012 Transportation Improvement Program. The amendment which was made by the Baltimore Regional Transportation Board (BRTB) on April 28 provides for the programming of federal funds made available by the American Recovery and Reinvestment Act. The bridge project will support 861 jobs and the transit projects will support 1,820 jobs. Documentation which is attached includes the executed resolution of the BRTB and a list of projects.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #09-22

AMENDMENT TO THE 2008-2012 BALTIMORE REGION TRANSPORTATION IMPROVEMENT PROGRAM TO INCLUDE FUNDING FROM THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the Baltimore Regional Transportation Board is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, on February 17, 2009, the American Recovery and Reinvestment Act, which appropriates $48.1 billion dollars for transportation infrastructure nationwide, including $35.2 billion in formula funding was signed into law; and

WHEREAS, Maryland's share of formula funds under the American Recovery and Reinvestment Act of 2009 is estimated at $564.9 million (does not include WMATA) to be directed at maintaining and improving existing transit systems, roads and bridges; and, that these funds will be distributed to a wide range of "fix-it first" projects to allow the benefit to be felt by workers and families in every region of the state; and

WHEREAS, under Phase Two of the One Maryland Transportation Recovery Program, one $30 million highway federal formula funded project and $101.3 million in transit formula funded projects as listed in Attachment 1 are ready to move forward. These projects are directed to system preservation as well as for capital assistance to local and state transit systems located throughout the Baltimore region and therefore programmatically exempt from conformity analysis, and will not worsen the region's air quality, delay the timely attainment of national air quality standards or interfere with implementation of any transportation control measures; and, that the addition of these projects meet conformity requirements as stated in the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, federal regulations require that all transportation-related projects in receipt of federal aid must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, the Maryland Department of Transportation has requested an amendment to the 2008-2012 Baltimore Region Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the projects listed in Attachment 1 as an administrative modification to the 2008-2012 Baltimore Region Transportation Improvement Program.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its April 28 meeting.

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
Baltimore Metropolitan Area Amendment MDOT control #08-23

Dear Mr. Halligan:

In your letter of May 27, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds American Recovery and Reinvestment Act projects and associated funding to the FY 2008 STIP.

Since the advancement of these projects do not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

RESOLUTION
BY THE WILMINGTON AREA PLANNING COUNCIL (WILMAPCO)

AMENDING THE FY2009-FY2012 TRANSPORTATION IMPROVEMENT PROGRAM CECIL COUNTY ELEMENT

WHEREAS, the Wilmington Area Planning Council (WILMAPCO) has been designated the Metropolitan Planning Organization for Cecil County, Maryland and New Castle County, Delaware by the Governors of Maryland and Delaware, respectively; and

WHEREAS, the United States Department of Transportation's (USDOT) Regulations of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Metropolitan Planning Requirements, require that, in air quality non-attainment areas, the MPO, in cooperation with participants in the planning process, develop and, at least every four years, updates the Transportation Improvement Program (TIP); and

WHEREAS, the WILMAPCO TIP format incorporates a four-year period for the listing of priority projects to be implemented, as well as a list of program development projects; and

WHEREAS, the FY2009-2012 TIP has undergone appropriate community and technical reviews; and

WHEREAS, the TIP must be determined to be air quality conforming in accordance with SAFETEA-LU and Clean Air Act and Amendments (CAAA) of 1990 requirements; and;

WHEREAS, the FY2009-2012 TIP has been found to be financially constrained, as directed by 23 CFR 450.324 (e), and consistent with the Regional Transportation Plan;

NOW, THEREFORE, BE IT RESOLVED that the Wilmington Area Planning Council does hereby amend the FY2009-2012 Transportation Improvement Program to include amended projects as presented, subject to available funding from the federal economic stimulus legislation.

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
Cumberland Metropolitan Area Amendment MDOT control #08-24

Dear Mr. Halligan:

In your letter of May 27, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds American Recovery and Reinvestment Act projects and associated funding to the FY 2008 STIP.

Since the advancement of these projects do not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include Americans with Disabilities Act projects on the Lower Eastern Shore. MDOT Control # 08-25.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include Americans with Disabilities Act (ADA) projects in non urban areas of Maryland's Lower Eastern Shore. The projects are being constructed through the State Highway Administration (SHA) ADA Compliance Program primarily in Somerset, Dorchester and Worcester Counties including the Town of Ocean City. The projects consist of sidewalk and curb and gutter modification and will be implemented using funds made available through the American Recovery and Reinvestment Act of 2009. The total cost of these projects and the amount to be amended into the STIP is $2.7 million. Approximately 78 jobs will be supported by this activity.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll free at 888-713-1414 or via e-mail at mnixon@mdot.state.md.us. Dear Mr. Halligan:

We have completed our review of Amendment Number 08-28 to the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). Specifically, the amendment adds funds to replace MD 328 Tuckahoe Creek Bridge in Caroline and Talbot Counties.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include Amendments to the Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program to include Transit Improvements Funded through the American Recovery and Reinvestment Act. MDOT Control #08-29.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include amendments to the FY 2009-2014 Washington Metropolitan Region Transportation Improvement Program that were approved by the National Capital Region Transportation Planning Board on May 20, 2009.

Specifically the projects added to the program are as follows:

- Small Urban Systems – Capital (TIP#TM-23-3) - $4,795,273 (5307 grant), which includes:
  - Charles County – Medium Bus Replacements and Facility Upgrades & Electronic Fareboxes.
  - Frederick County – Various Bus and Vehicle Replacements and Facility & Equipment Upgrades.
- Local Bus Replacement – Montgomery & Prince George's (TIP #TM19-3) - $6.9 million (5307 grant), for the Prince George's Heavy Duty Transit Bus Replacement project.

Documentation including a letter to Mr. Ronald Kirby, amended TIP forms and TPB resolutions are attached. These projects are programmed to be funded through the American Recovery and Reinvestment Act of 2009.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act (ARRA) was signed into law on February 17, 2009. Thanks to your help, the Maryland Department of Transportation (MDOT) has been able to obligate the first 50 percent of the funding allocated to us for what we have called our "Phase 1" projects. MDOT has also developed the State portion of our "Phase 2" project list. These are projects that have already been approved in the 2009-2014 Transportation Improvement Program (TIP) and are exempt from Air Quality Conformity. These projects are found in the TIP in our System Preservation Program section listed by funding category. Because the amount of ARRA funding we plan to use exceeds the amount we currently have programmed for the following project categories by more than 20 percent, MDOT requests an amendment to the 2009-2014 TIP.

Please add the following funding amount to the category below and identify the funding source as 100% Federal ARRA Funding:

- Small Urban Systems – Capital (TIP #TM-23-3) - $4,795,273 (5307 grant), which includes:
  - Charles County – Medium Bus Replacements and Facility Upgrades & Electronic Fareboxes
  - Frederick County – Various Bus and Vehicle Replacements and Facility & Equipment Upgrades
- Local Bus Replacement – Montgomery & Prince George's (TIP #TM19-3) - $6.9 million (5307 grant), for the Prince George's Heavy Duty Transit Bus Replacement project.

You will find a list of specific projects we intend to fund within these categories as well as the detailed TIP forms in the attachments. The MARC projects on this list were processed through an Administrative Modification on April 15, 2009. Please refer to the Montgomery County TIP Amendment request for the $6,900,000 Montgomery County Heavy Duty Transit Bus Replacement projects (Bus Purchases and Bus Dispatch Software).

This action marks the completion of the amendment and administrative modification requests for MDOT's portion of the ARRA funding. Our local partners will also be processing amendments for their portion of the ARRA funding. If you have any questions or concerns, please do not hesitate to contact Ms. Lyn Erickson at 410-865-1279, toll-free at 888-713-1414 or via email at lerickson@mdot.state.md.us. Of course, please feel free to contact me directly.

Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act (ARRA) was signed into law on February 17, 2009. Montgomery County has developed a "Phase II" project list in consultation with the Maryland Department of Transportation (MDOT). Montgomery County would like to add the following ARRA projects to the Fiscal Year 2009–2014 Transportation Improvement Program (TIP). All of these projects are exempt from Air Quality Conformity:

- Pavement Resurfacing: Barnesville Road from Mount Ephraim Road to MD 117 - $1,470,000
- Pavement Resurfacing: Shady Grove Road from I-270 to Darnestown Road- $1,510,000
- Pavement Resurfacing: Forest Glen Road from MD 97 to Brunett Avenue - $535,000
- Pavement Resurfacing: Old Columbia Pike from MD 198 to 800 feet north of Edfinn Road and from 500 feet south of Edfinn Road to US 29 Columbia Pike Ramp - $1,510,000
- Pavement Resurfacing: Randolph Road from Nebel Street to Rock Creek Bridge - $690,000
- Fiber Optics/Advanced Transportation Management Systems: US Route 29 from Briggs Chaney Road to Howard County Line - $600,000
- Streetlight Installation on MD 124 - $1.1 million
- Traffic Signals: Uninterruptible Power Supply/Battery Backup Units - $600,000
- Traffic Signs Upgrade - $250,000
- End treatment of guardrails - $225,000
- Bus Purchases - $6,550,000
- Bus Dispatch Software - $350,000

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
Washington Metropolitan area ARRA Amendment MDOT control #08-29

Dear Mr. Halligan:

In your letter of July 8, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds American Recovery and Reinvestment Act projects and associated funding to the FY 2008 STIP.

Since the advancement of these projects does not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

Sincerely,

Michele Destra

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include an Amendment to the Baltimore Metropolitan Planning Organization FY 2008 Transportation Improvement Program. MDOT Control #08-30.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment made to the Baltimore Region FY 2008-2012 Transportation Improvement Program to add additional funds for intersection improvements at various locations to accommodate additional traffic associated Base Realignment and Closure (BRAC). The amendment was approved by the Baltimore Regional Transportation Board (BRTB) on June 23, 2009. Documentation which is attached includes the Transportation Improvement Program forms, the Statewide Transportation Improvement Program forms and the signed BRTB resolution.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Of course, please feel free to contact me directly.

BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #09-26

AMENDMENT TO THE 2008 – 2012 BALTIMORE REGION
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Baltimore Regional Transportation Board (BRTB) is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, federal regulations require that all transportation-related projects must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Transportation Improvement Program consists of projects included in, and in support of, the region's long-range transportation plan and ongoing short-range planning efforts; and

WHEREAS, the State Highway Administration has requested approval of an amendment (See Attachment 1) to the 2008-2012 Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

WHEREAS, through the Interagency Consultation Group, it has been determined that the proposed intersection improvements are exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, the improvements were subject to a 30-day public review and public meetings were held in the respective jurisdictions.

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the attached amendment to the 2008-2012 Transportation Improvement Program for the Baltimore region and finds it to conform with the applicable Maryland State Implementation Plan and requirements of the 1990 Clean Air Act Amendments.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its June 23, 2009 meeting.

Re: Amendment to the Fiscal Year (FY) 2008-2012 Baltimore Region Transportation Improvement Program (TIP) and to the State Transportation Improvement Program (STIP) to reflect addition of two new projects.

Dear Mr. Bloom:

The current Consolidated Transportation Program (CTP) for FY 2009-2014 shows programmed funding for the following two projects:

BRAC Intersections near Aberdeen Proving Ground
BRAC Intersections near Fort Meade
These projects include the design and construction of intersection improvements at key locations along access routes to Aberdeen Proving Grounds in Harford County and Fort Meade in Anne Arundel County.

I am therefore requesting that you take the appropriate action to amend the Baltimore Region Fiscal Year 2008-2012 TIP to include these projects.

As a collection of intersection improvements, these projects are not adding mainline trough capacity to the roadway system, thus they are exempt from air quality conformity analysis. The addition of these projects will not impact scheduling or funding availability for other projects in the current TIP. The cost does not affect the portion of the federal funding which was programmed for transit or any allocations of state aid in lieu of federal aid to local jurisdictions.

The projects information sheets and supporting documentation are attached. If you have questions or need additional information, please contact me at 410-865-1295 or via email at mnixon@mdot.state.md.us

Michael W. Nixon

Dear Mr. Halligan:

We have completed our review of the State request to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). The amendment adds $31,588,000 for intersection improvements at various locations in Baltimore MPO area to accommodate additional traffic associated with Base Realignment and Closure (BRAC).

The proposed projects in the submittal do not affect the conformity status in the State's non attainment areas. We accept these amendments and find that they were developed based on a continuing, cooperative, and comprehensive transportation planning process.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779-7158

Sincerely yours,

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include Amendments to the Washington Metropolitan Region FY 2009-2014 Transportation Improvement Program (TIP) to add funds made available Through the American Recovery and Reinvestment Act. MDOT Control #08-31.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include amendments to the FY 2009-2014 Washington Metropolitan Region Transportation Improvement Program that were approved by the National Capital Region Transportation Planning Board on May 20, 2009.

Specifically the projects amended into the TIP are as follows:

Montgomery County-	Road resurfacing, street lights, and traffic management improvements (please disregard the bus purchase line items, these were amended into the STIP by a previous request – MDOT Control #08-29).
Frederick County –	Pavement preservation, safety improvements and bridge painting.
Prince George's County –	Road improvements and resurfacing.

Charles County - Road improvements and resurfacing.

Documentation including letters to the MPO Director and the TPB Chairman, amended TIP forms and Transportation Planning Board resolutions are attached. These projects are programmed to be funded through the American Recovery and Reinvestment Act of 2009.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Of course, please feel free to contact me directly.

NATIONAL CAPITAL REGION TRANSPORTATION PLANNING BOARD
777 North Capitol Street, N.E.
Washington, D.C. 20002

RESOLUTION APPROVING AN AMENDMENT TO THE FY 2009-2014 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) THAT IS EXEMPT FROM THE AIR QUALITY CONFORMITY REQUIREMENT TO ADD $15.39 MILLION IN AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) FUNDING FOR ROAD RESURFACING PROJECTS, STREET LIGHT AND TRAFFIC MANAGEMENT IMPROVEMENTS, AND BUS PURCHASES, AS REQUESTED BY MONTGOMERY COUNTY

WHEREAS, the National Capital Region Transportation Planning Board (TPB), which is the metropolitan planning organization (MPO) for the Washington Region, has the responsibility under the provisions of the Safe, Accountable, Flexible, and Efficient Transportation Equity Act - A Legacy for Users (SAFETEA-LU) of 2005 for developing and carrying out a continuing, cooperative and comprehensive transportation planning process for the Metropolitan Area; and

WHEREAS, the TIP is required by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) as a basis and condition for all federal funding assistance to state, local and regional agencies for transportation improvements within the Washington planning area; and

WHEREAS, on November 19, 2008 the TPB adopted amendments to the FY 2009-2014 TIP which was adopted on July 16, 2008; and

WHEREAS, on February 17, 2009, the American Recovery and Reinvestment Act of 2009 (ARRA), which includes substantial new funding for the nation's transportation system, was enacted; and

WHEREAS, Montgomery County has developed a list of transportation projects for ARRA funding in consultation with the Maryland Department of Transportation (MDOT); and

WHEREAS, in the attached letter of April 30, 2009, the Montgomery County Department of Transportation has requested an amendment to the FY 2009-2014 TIP to add $5.715 million in ARRA funding for five pavement resurfacing projects, $2.775 million for five streetlight and traffic management improvement projects, and $6.9 million to purchase buses and bus dispatch software, as described in the attached materials; and

WHEREAS, these projects are exempt from the air quality conformity requirement, as defined in Environmental Protection Agency (EPA) regulations "40 CFR Parts 51 and 93 Transportation Conformity Rule Amendments: Flexibility and Streamlining; Final Rule," issued in the May 6, 2005, *Federal Register;*

NOW, THEREFORE, BE IT RESOLVED THAT the NATIONAL CAPITAL REGION TRANSPORTATION PLANNING BOARD amends the FY 2009-2014 TIP to add $5.715 million in ARRA funding for five pavement resurfacing projects, $2.775 million for five streetlight and traffic management improvement projects, and $6.9 million to purchase buses and bus dispatch software, as described in the attached materials .

Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act (ARRA) was signed into law on February 17, 2009. Montgomery County has developed a "Phase II" project list in consultation with the Maryland Department of Transportation (MDOT). Montgomery County would like to add the following ARRA projects to the Fiscal Year 2009--2014 Transportation Improvement Program (TIP). All of these projects are exempt from Air Quality Conformity:

- Pavement Resurfacing: Barnesville Road from Mount Ephraim Road to MD 117 - $1,470,000
- Pavement Resurfacing: Shady Grove Road from I-270 to Darnestown Road- $1,510,000
- Pavement Resurfacing: Forest Glen Road from MD 97 to Brunett Avenue - $535,000
- Pavement Resurfacing: Old Columbia Pike from MD 198 to 800 feet north of Edfinn Road and from 500 feet south of Edfinn Road to US 29 Columbia Pike Ramp - $1,510,000
- Pavement Resurfacing: Randolph Road from Nebel Street to Rock Creek Bridge - $690,000
- Fiber Optics/Advanced Transportation Management Systems: US Route 29 from Briggs Chaney Road to Howard County Line - $600,000
- Streetlight Installation on MD 124 - $1.1 million
- Traffic Signals: Uninterruptible Power Supply/Battery Backup Units - $600,000
- Traffic Signs Upgrade - $250,000
- End treatment of guardrails - $225,000
- Bus Purchases - $6,550,000

Re: 2009-2014 MWCOG TIP Updates for ARRA Projects in Frederick County

Dear Mr. Kirby:

As you are aware, the American Recovery and Reinvestment Act of 2009 (ARRA) was signed into law on February 17, 2009. Frederick County has developed a "Phase II" project list in consultation with the State Highway Administration of the Maryland Department of Transportation (MDOT). Frederick County would like to add the following ARRA projects to the Fiscal Year 2009-2014 Transportation Improvement Program. All of these projects are exempt from Air Quality Conformity.

The County proposes to perform work on the following roads, bridges or intersections. As work will be fully or partially funded by ARRA funds, actual dollar amounts are approximate and will be adjusted via an administrative modification once finalized.

- **Pavement Preservation and Safety Improvements**
  - **Resurfacing/Rehabilitation and Safety Improvements, Various County Roads**
    - Resurfacing/Rehabilitation: Browningsville Road from Windsor Road to Montgomery County Line; Gas House Pike from Frederick City Limits to Linganore Road; Gas House Pike from Linganore Creek to Central Church Road; Penn Shop Road from MD Route 80 to MD Route 27; Windsor Road from MD Route 75 to Browningsville Road; Christopher's Crossing from Whittier Drive to Poole Jones Road.
    - Safety/guardrail improvements: Gas House Pike from Linganore Road to Linganore Creek.
    - Safety/intersection improvement: Old National Pike at Bartholows Road intersection.

Dear Chairman Jenkins:

The American Recovery and Reinvestment Act of 2009 (ARRA) has distributed transportation funding to the State of Maryland. Through a Phase II allocation of highway funds, $7.397 million has been designated for Prince George's County.

After reviewing the federally eligible roads, we have proposed a countywide resurfacing project on various county and municipally maintained roadways. Accordingly, Prince George's County requests that the proposed ARRA resurfacing project countywide be added as an amendment to the Fiscal Year 2009-2014 Transportation Improvement Program (TIP).

The project in the proposed amendment is exempt from air quality conformity analysis. As such, Prince George' County requests this amendment be approved by the Transportation Planning Board at its meeting on May 20, 2009.

Thank you for your consideration of and action on this request

Dear Chairman Jenkins:

The American Recovery and Reinvestment Act of 2009 (ARRA) has distributed transportation funding to the State of Maryland. Through a Phase II allocation of highway funds, $7.397 million has been designated for Charles County.

We have reviewed the map of federally eligible County roads that fall within the St. Charles Urbanized Area of Charles County, and developed a list of roadway safety and enhancement projects. These projects include resurfacing, installation of traffic loop sensors, and reflective pavement markers. Therefore, Charles County requests that the attached ARRA projects be added as an amendment to the Fiscal Year 2009-2014 Transportation Improvement Program (TIP).

As with projects of this nature, the subject projects listed in this requested amendment are exempt from air quality conformity analysis. The Commissioners of Charles County request this amendment be approved by the Transportation Planning Board at its meeting on May 20, 2009. Thank you for your consideration of our requested amendment.

Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-31) to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include the American Recovery and Reinvestment Act (ARRA) funded highway project Phase II for the Washington Metropolitan Region. Specifically, the STIP/TIP is being amended to add $5.715 million ARRA funding for five pavement resurfacing projects, $2.775 million for five streetlight and traffic management improvement projects, and $6.9 million to purchase buses and bus dispatch software.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to include Amendments to the Wilmington, Cumberland and Hagerstown/Eastern Panhandle Metropolitan Planning Organizations' Transportation Improvement Programs (TIP) to program funds made available through the American Recovery and Reinvestment Act. MDOT Control #08-32.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect amendments to the Wilmington, Cumberland and Hagerstown/Eastern Panhandle Metropolitan Planning Organizations' Transportation Improvement Programs to add funding that is available through the American Recovery and Reinvestment Act for local highway and road projects.

The Wilmington Area Planning Council (WILMAPCO) amended the FY 2009-2012 TIP on July 9, 2009 to include funds for resurfacing, guardrail improvements, striping and signage on four local roads.

The Cumberland Metropolitan Planning Organization amended the FY 2008-2011 Transportation Improvement Program on July 2, 2009 to include funds for construction, resurfacing and bridge repair on three local roads.

The Hagerstown/Eastern Panhandle Metropolitan Planning Organization amended the FY 2009-2011 Transportation Improvement Program on June 17, 2009 to include funds for resurfacing at various locations on local roads.

Documentation which is attached includes MPO resolutions and project information forms.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. RESOLUTION
BY THE WILMINGTON AREA PLANNING COUNCIL (WILMAPCO)

AMENDING THE FY2009-FY2012 TRANSPORTATION IMPROVEMENT PROGRAM CECIL COUNTY ELEMENT

WHEREAS, the Wilmington Area Planning Council (WILMAPCO) has been designated the Metropolitan Planning Organization for Cecil County, Maryland and New Castle County, Delaware by the Governors of Maryland and Delaware, respectively; and

WHEREAS, the United States Department of Transportation's (USDOT) Regulations of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Metropolitan Planning Requirements, require that, in air quality non-attainment areas, the MPO, in cooperation with participants in the planning process, develop and, at least every four years, updates the Transportation Improvement Program (TIP); and

WHEREAS, the WILMAPCO TIP format incorporates a four-year period for the listing of priority projects to be implemented, as well as a list of program development projects; and

WHEREAS, the FY2009-2012 TIP has undergone appropriate community and technical reviews; and

WHEREAS, the TIP must be determined to be air quality conforming in accordance with SAFETEA-LU and Clean Air Act and Amendments (CAAA) of 1990 requirements; and;

WHEREAS, the FY2009-2012 TIP has been found to be financially constrained, as directed by 23 CFR 450.324 (e), and consistent with the Regional Transportation Plan;

NOW, THEREFORE, BE IT RESOLVED that the Wilmington Area Planning Council does hereby amend the FY2009-2012 Transportation Improvement Program to include the Cecil County roadway preservation project as presented, using funding from the federal economic stimulus legislation.

RE: Administrative Modification of the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to reflect an Administrative Modification of the FY 2008 Baltimore Region Transportation Improvement Program by the Baltimore Regional Transportation Board's Executive Committee. MDOT Control #08-33.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby administratively modifies the FY 2008-2012 Statewide Transportation Improvement Program to reflect the administrative modification of the FY 2008 Baltimore Region Transportation Improvement Program by the Baltimore Regional Transportation Board's Executive Committee on July 17, 2009 to add the following two items:

1. MD45 Traffic Signal Reconstruction – An additional traffic signal project will be added to the previously approved list of Traffic & Safety Projects adding $100,000 using American Recovery and Reinvestment (ARRA) funds. (Previous STIP Amendment MDOT Control #08-22).

2. Support Activities for Baltimore City's Traffic Management Center adding $200,000 in Congestion Mitigation Air Quality (CMAQ) funds.

Documentation of this Administrative Modification is attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Dear Mr. Halligan:

The Maryland Department of Transportation (MDOT), on behalf of the State Highway Administration (SHA), has requested a change, as attached, to the Baltimore Region 2008-2012 Transportation Improvement Program (TIP). Following established guidelines, the Executive Committee of the BRTB has reviewed and approved an Administrative Modification to the TIP. The modification reflects the addition of $100,000 of American Recovery and Reinvestment Act funds for Traffic Signal Reconstruction at MD 45 to the project list from SHA approved in Resolution #09-21.

In order to meet the intent of SAFETEA-LU and the requirements of the Metropolitan Planning Regulations, documentation has been submitted by the requesting agencies. In keeping with the recommendation by the Interagency Consultation Group for traffic signal reconstruction as exempt, the project at MD 45 is also exempt.

Approval of this Administrative Modification to the Baltimore Region 2008-2012 Transportation Improvement Program was given by the Baltimore Regional Transportation Board's Executive Committee on July 17, 2009.

The enclosed chart summarizes the conformity determination status, while the attached letter documents justification of prioritization, flexible funding and financial reasonableness for this project. If you have any questions, please contact Regina Aris at 410-732-9572.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to add Non-Urban Statewide Local Highway Projects to be Funded through the American Recovery and Reinvestment Act (ARRA). MDOT Control #08-34.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include non-urban statewide local highway projects. These projects will be completed using funding made available through the American Recovery and Reinvestment Act of 2009. These projects were selected by the respective Counties and have been reviewed and determined to be "federal aid eligible" by the State Highway Administration.

A project list by county is attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-34) to modify the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). Specifically, this modification adds to the FY 2008 STIP, statewide local projects or non metropolitan highway projects funded through the American Recovery and Reinvestment Act (ARRA) Phase II.

We accept this modification and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

for Nelson J. Castellanos

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Reflect an Amendment to the FY 2008 Baltimore Region Transportation Improvement Program to add Local Highway Projects Funded through the American Recovery and Reinvestment Act (ARRA). MDOT Control #08-35.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the FY 2008 Baltimore Region Transportation Improvement Program to include local highway maintenance projects. This amendment was approved by the Baltimore Regional Transportation Board (BRTB) on July 28, 2009 and will be funded through the American Recovery and Reinvestment Act of 2009. These projects were selected by the respective Counties and have been reviewed and determined to be "federal aid eligible" by the State Highway Administration.

The signed BRTB resolution and Transportation Improvement Program forms are attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Of course, please feel free to contact me directly.

Sincerely,

BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #10-1

AMENDMENT TO THE 2008-2012 BALTIMORE REGION TRANSPORTATION IMPROVEMENT PROGRAM TO INCLUDE FUNDING FROM THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the Baltimore Regional Transportation Board is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, on February 17, 2009, the American Recovery and Reinvestment Act, which appropriates $48.1 billion dollars for transportation infrastructure nationwide, including $35.2 billion in formula funding was signed into law; and

WHEREAS, using the Maryland Highway User Revenue (HUR) formula, $62 million will be made available to local jurisdictions for local highway priorities that will be distributed among all 23 counties. Maryland's total share of formula funds under the American Recovery and Reinvestment Act of 2009 is estimated at $564.9 million (does not include WMATA) to be directed at maintaining and improving existing transit systems, roads and bridges; and, that these funds will be distributed to a wide range of "fix-it first" projects to allow the benefit to be felt by workers and families in every region of the state; and

WHEREAS, the allocation for member jurisdictions for local projects consists of $6.043 million for Anne Arundel County, $8.129 million for Baltimore County, $2.715 for Carroll County, $3.152 million for Harford County, and $2.993 million for Howard County. These funds are directed to system preservation projects throughout the Baltimore region and therefore programmatically exempt from conformity analysis, and will not worsen the region's air quality, delay the timely attainment of national air quality standards or interfere with implementation of any transportation control measures; and, that the addition of these projects meet conformity requirements as stated in the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, federal regulations require that all transportation-related projects in receipt of federal aid must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, the five counties (Baltimore City projects were included in a previous amendment) have requested an amendment to the 2008-2012 Baltimore Region Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the projects listed in Attachment 1 as an amendment to the 2008-2012 Baltimore Region Transportation Improvement Program.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its July 28, 2009 meeting.

Anne Arundel County – ARRA Project

Anne Arundel County will be executing a single ARRA construction contract not to exceed $6,043,000 less SHA administration costs. The actual roads completed from this list will be subject to these limitations. *The number of roads and sum of the estimates exceeds the $6,043,000 allocation for Anne Arundel County in the event that certain roads on the list cannot be resurfaced due to conflicting projects or required infrastructure upgrades, and to account for the unknown of final contract prices as bid. The complete list of federally eligible roads cleared to date is included here to ensure that a sufficient number of roads are approved for reimbursement in order to realize the full amount of the grant.

Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-35) to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include Local Highway Projects funded through the American Recovery and Reinvestment Act (ARRA) Phase II for the Baltimore MPO.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Reflect an Amendment to the Hagerstown/Eastern Panhandle Metropolitan Planning Organization FY 2008-2011 Transportation Improvement Program to Add Planning and Engineering Study Funding for Two Segments of Eastern Boulevard. MDOT Control #08-36.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the 2008-2011 Hagerstown/ Eastern Panhandle Metropolitan Planning Organization Transportation Improvement Program. This action provides for the inclusion of new federal earmark funds and matching Washington County funds for planning and engineering for two segments of Eastern Boulevard in Washington County.

The amendment was adopted by the Interstate Council on August 7, 2009. The signed resolution, a project information form and revised Transportation Improvement Program forms are attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Include an Amendment to the Cumberland Urbanized Area FY 2008-2011 Transportation Improvement Program to Add Funding for the Braddock Road Access & Intersection Project. MDOT Control #08-37.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include an amendment to the FY 2008-2011 Cumberland Urbanized Area Transportation Improvement Program. The amendment programs funding provided by the Appalachian Regional Commission, the City of Frostburg and the private sector for the Braddock Road Access and Intersection Improvement Project. The amendment was approved by the Allegany County Commissioners on June 11, 2009 and the signed resolution and project information form are attached. The Maryland Department of Transportation concurs with the action of the MPO.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #10-7

AMENDMENT TO THE 2008 – 2012 BALTIMORE REGION
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Baltimore Regional Transportation Board (BRTB) is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, federal regulations require that all transportation-related projects must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Transportation Improvement Program consists of projects included in, and in support of, the region's long-range transportation plan and ongoing short-range planning efforts; and

WHEREAS, Howard County, Baltimore City, and Maryland Department of Transportation have requested approval of an amendment (See Attachments 1, 2 and 3) to the 2008-2012 Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

WHEREAS, through the Interagency Consultation Group, it has been determined that the Central Maryland Transit Operations & Maintenance Facility is exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, also through the Interagency Consultation Group, it has been determined that the Midtown Cultural District Streetscape, the Water Taxi Boat Purchase and Pier Improvements and the Areawide Congestion Management projects are exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, all projects were subject to a publicized 30-day public review and a public meeting to allow comments to be taken.

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the attached amendment to the 2008-2012 Transportation Improvement Program for the Baltimore region and finds it to conform with the applicable Maryland State Implementation Plan and requirements of the 1990 Clean Air Act Amendments.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its August 25, 2009 meeting.

Description	Justification
Site selection, acquisition, design and construction of an operations and maintenance facility to be shared among Howard Transit, Connect-A-Ride and Western Anne Arundel County transit services. The facility will support fixed-route and paratransit services including such functions as dispatch, vehicle maintenance, parts storage, revenue collection and handling, vehicle storage and management, and administrative office space.	A comprehensive, modern transit operations and maintenance facility will enable the County, Connect-A-Ride and Anne Arundel County to gain operational efficiencies, economies of scale, and cost savings. Such a multi-jurisdictional transit facility is needed to increase vendor competition and thereby Howard Transit, Connect-A-Ride and Anne Arundel County will receive the most competitive rates for transit service. The facility will enable the development of state-of-the-art service monitoring and revenue handling equipment. The facility will also allow transit service to Fort Meade and support BRAC related transportation needs.

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
Cumberland Metropolitan Area Amendment MDOT control #08-38

Dear Mr. Halligan:

In your letter of August 28, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds the Howard and Anne Arundel Counties (Central Maryland) Transit Operations and Maintenance Facility project and associated funding to the FY 2008 STIP.

Since the advancement of these projects do not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

Sincerely,

Re: Amendment to the FY 2008 Statewide Transportation Improvement Program,
~~Cumberland~~ Baltimore Metropolitan Area Amendment MDOT control #08-38

Dear Mr. Halligan:

In your letter of August 28, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds the Howard and Anne Arundel Counties (Central Maryland) Transit Operations and Maintenance Facility project and associated funding to the FY 2008 STIP.

Since the advancement of these projects do not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts, of my staff, is available if you have any questions concerning this approval.

Sincerely,

for Michele Destra

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Reflect an Amendment to the FY 2008 Baltimore Region Transportation Improvement Program to Include Three Baltimore City Projects. MDOT Control #08-39.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the FY 2008-2012 Baltimore Region Transportation Improvement Program to add and/or revise funding for the following projects in the City of Baltimore:

1. Water Taxi Boat Purchase and Pier Improvements using American Recovery and Reinvestment Act – Ferry Boat Discretionary Program Funding.

2. Midtown Cultural District Streetscape Project funded through the Transportation, Community and System Preservation Program.

3. Baltimore City Area-wide Congestion Management Projects using Congestion Mitigation and Air Quality Funds, Section 1702 High Priority Project Funds and American Recovery and Reinvestment Act Funding.

The amendment was approved by the Baltimore Regional Transportation Board (BRTB) on August 25, 2009. The BRTB resolution and Transportation Improvement Program forms are attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Of course, please feel free to contact me directly.

BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #10-7

AMENDMENT TO THE 2008 – 2012 BALTIMORE REGION
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Baltimore Regional Transportation Board (BRTB) is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, federal regulations require that all transportation-related projects must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Transportation Improvement Program consists of projects included in, and in support of, the region's long-range transportation plan and ongoing short-range planning efforts; and

WHEREAS, Howard County, Baltimore City, and Maryland Department of Transportation have requested approval of an amendment (See Attachments 1, 2 and 3) to the 2008-2012 Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

WHEREAS, through the Interagency Consultation Group, it has been determined that the Central Maryland Transit Operations & Maintenance Facility is exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, also through the Interagency Consultation Group, it has been determined that the Midtown Cultural District Streetscape, the Water Taxi Boat Purchase and Pier Improvements and the Areawide Congestion Management projects are exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, all projects were subject to a publicized 30-day public review and a public meeting to allow comments to be taken.

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the attached amendment to the 2008-2012 Transportation Improvement Program for the Baltimore region and finds it to conform with the applicable Maryland State Implementation Plan and requirements of the 1990 Clean Air Act Amendments.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution at its August 25, 2009 meeting.

The work includes the conversion of span wire signal intersections to mast-arm signals at Mt. Royal Ave. at McMechen St. at W. Lafayette Ave. and Dolphin St. Installation of an underground conduit system at each intersection from the signals to controller boxes. New Pole foundations will be installed and pedestrian ramps not currently meeting ADA requirements will be upgraded at each intersection	This project will: reduce visual clutter and create more uniformity in street appurtenances along the Mt. Royal Avenue Corridor, improve pedestrian crossings, improve signal visibility, reduce energy consumption, and install new video-camera-based detection. This project is part of Phase 1 of the Midtown Cultural District transportation plan. Other components of the plan include pedestrian safety upgrades, resurfacing, median widening and bicycle lanes.

Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-39) to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP) to include the following projects:

- Water Taxi Boat and Pier Improvements ($1.59 million ARRA funds)
- Midtown Culture District Streetscape ($556,000 TCSP Grant)
- Baltimore City Area-wide Congestion Management Projects ($4 million ARRA & 6.5 million CMAQ funds).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Kwame Arhin at (410) 779.7158.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Reflect an Amendment to the WILMAPCO FY 2009 Transportation Improvement Program to Include a New Resurfacing Project in Cecil County using American Recovery and Reinvestment Act Funds.
MDOT Control #08-40.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the WILMAPCO FY 2009-2012 Transportation Improvement Program. The amendment which was approved by the WILMAPCO Council on September 14, 2009 provides for the addition of a resurfacing/flood mitigation project on MD Route 7D (Delaware Avenue) in Elkton at Big Elk Creek. The $700,000 cost of this project will be funded through the American Recovery and Reinvestment Act. The Council Resolution and a project information form are attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. BY THE WILMINGTON AREA PLANNING COUNCIL (WILMAPCO)

AMENDING THE FY2009-FY2012 TRANSPORTATION IMPROVEMENT PROGRAM CECIL COUNTY ELEMENT

WHEREAS, the Wilmington Area Planning Council (WILMAPCO) has been designated the Metropolitan Planning Organization for Cecil County, Maryland and New Castle County, Delaware by the Governors of Maryland and Delaware, respectively; and

WHEREAS, the United States Department of Transportation's (USDOT) Regulations of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Metropolitan Planning Requirements, require that, in air quality non-attainment areas, the MPO, in cooperation with participants in the planning process, develop and, at least every four years, updates the Transportation Improvement Program (TIP); and

WHEREAS, the WILMAPCO TIP format incorporates a four-year period for the listing of priority projects to be implemented, as well as a list of program development projects; and

WHEREAS, the FY2009-2012 TIP has undergone appropriate community and technical reviews; and

WHEREAS, the TIP must be determined to be air quality conforming in accordance with SAFETEA-LU and Clean Air Act and Amendments (CAAA) of 1990 requirements; and;

WHEREAS, the FY2009-2012 TIP has been found to be financially constrained, as directed by 23 CFR 450.324 (e), and consistent with the Regional Transportation Plan;

NOW, THEREFORE, BE IT RESOLVED that the Wilmington Area Planning Council does hereby amend the FY2009-2012 Transportation Improvement Program to include the MD 7D over the Big Elk Creek American Recovery and Reinvestment Act project as presented.

Dear Mr. Halligan:

We have completed our review of the state request (MDOT Control # 08-42) to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). This amendment adds the Allegany College Entrance Relocation project and programs funding provided by the Appalachian Regional Commission, the Maryland Department of Transportation (MDOT), and private sources as approved by the Cumberland Urbanized Area Metropolitan Planning Organization (CUAMPO).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions regarding this STIP amendment, please contact Krista Sherwood at (410) 779-7157.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program to Include an Amendment to the FY 2008-2012 Baltimore Region Transportation Improvement Program to add American Recovery and Reinvestment Act Funding for Projects in Baltimore City, Harford County and Anne Arundel County. MDOT Control #08-43.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to include an amendment to the FY 2008-2012 Baltimore Region Transportation Improvement Program. The amendment provides for resurfacing, street lighting and pedestrian safety projects in Baltimore City, a resurfacing project in Harford County and cleaning and painting of bridges in Anne Arundel County. These projects are to be funded through the American Recovery and Reinvestment Act. The amendment was approved by the Baltimore Regional Transportation Board on October 26, 2009. Resolution 10-10 and supporting documentation is attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. BALTIMORE METROPOLITAN PLANNING ORGANIZATION

BALTIMORE REGIONAL TRANSPORTATION BOARD
RESOLUTION #10-10

AMENDMENT TO THE 2008 – 2012 BALTIMORE REGION
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Baltimore Regional Transportation Board (BRTB) is the designated Metropolitan Planning Organization for the Baltimore region, encompassing the Baltimore Urbanized Area, and includes official representatives of the cities of Annapolis and Baltimore, the counties of Anne Arundel, Baltimore, Carroll, Harford, and Howard, the Maryland Department of Transportation, the Maryland Department of the Environment, and the Maryland Department of Planning; and

WHEREAS, the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approved the 2008-2012 Transportation Improvement Program for the Baltimore region at its November 27, 2007 meeting; and

WHEREAS, federal regulations require that all transportation-related projects must be listed in the approved Transportation Improvement Program with accurate funding schedules in order to be eligible for federal funding; and

WHEREAS, the Transportation Improvement Program consists of projects included in, and in support of, the region's long-range transportation plan and ongoing short-range planning efforts; and

WHEREAS, Baltimore City, and Maryland Department of Transportation have requested approval of an amendment (See Attachment 1) to the 2008-2012 Transportation Improvement Program through the approved Transportation Improvement Program amendment process; and

WHEREAS, the Transportation Improvement Program, as amended, continues to display financial reasonableness and re-affirms the appropriate project selection criteria whereby all requirements for a Transportation Improvement Program in the Safe, Accountable, Flexible, Efficient, Transportation Equity, Act: A Legacy for Users are met; and

WHEREAS, the Interagency Consultation Group has also determined that the Baltimore City American Recovery and Reinvestment Act Resurfacing and Rehabilitation, Edmondson Village Street Lighting and Pedestrian Safety Improvements, as well as State Highway Administration's Road Resurfacing and Bridge Rehabilitation projects are exempt from the requirement to determine conformity according to the Conformity Rule (40 CFR Parts 51 and 93); and

WHEREAS, all projects were subject to a publicized 30-day public review and a public meeting to allow comments was offered. No comments were received on any of the proposed projects.

NOW, THEREFORE, BE IT RESOLVED that the Baltimore Regional Transportation Board, as the Metropolitan Planning Organization for the Baltimore region, approves the attached amendment to the 2008-2012 Transportation Improvement Program for the Baltimore region and finds it to conform to the applicable Maryland State Implementation Plan and requirements of the 1990 Clean Air Act Amendments.

I HEREBY CERTIFY that the Baltimore Regional Transportation Board as the Metropolitan Planning Organization for the Baltimore region approved the aforementioned resolution on October 26, 2009.

Dear Mr. Halligan:

We have completed our review of the State's request (MDOT Control # 08-43) to amend the Fiscal Year (FY) 2008 Statewide Transportation Improvement Program (STIP). This amendment adds funding provided through the American Recovery and Reinvestment Act (ARRA) for projects in Baltimore City, Harford County and Anne Arundel County for the Baltimore Metropolitan Council and the Baltimore Regional Transportation Board (BRTB). Specifically, these projects are:

- Baltimore City - Highway rehabilitation and resurfacing of city roads to include Kirk Avenue, Rogers Avenue, Gwynns Falls Parkway, Washington Boulevard, and Holabird Avenue. ($4,000,000)
- Edmondson Village Community - Improve sidewalks, street lighting, and ADA accessibility in Edmondson community to include Wildwood Parkway, Allendale Street, Hilton Parkway, and Edmondson Avenue. ($1,250,000)
- Harford County – Resurfacing of MD 462 from MD 132 to structure 12047 over Carsins Run. ($1,600,000)
- Anne Arundel County – Clean and paint various bridges in Anne Arundel County. ($500,000)

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP modifications please contact Krista Sherwood at (410) 779-7157.

RE: Amendment to the Fiscal Year (FY) 2008 Maryland Statewide Transportation Improvement Program (STIP) to Reflect an Amendment to the FY 2008 Baltimore Region Transportation Improvement Program to Correct Errors and Clarify Information Contained in a Previous Amendment. MDOT Control #08-47.

Dear Mr. Castellanos and Ms. Thompson:

The Maryland Department of Transportation (MDOT) hereby amends the FY 2008-2012 Statewide Transportation Improvement Program to reflect an amendment to the Baltimore Region FY 2008-2012 Transportation Improvement Program. There are three parts to this amendment, the first two of which have previously been amended into the STIP. The third part and the subject of this request has been developed to address an error and clarify information contained in a previous amendment submitted under MDOT Control #08-23. The revision specifically identifies funds for preventive maintenance and corrects the costs listed for the Baltimore Metro Rail Fastener and Bolt Replacement Project and the MARC Public Address System Replacement Project. A copy of the MPO resolution including a revised table is attached.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained. If you have any questions or need additional information, please do not hesitate to contact Mr. Michael Nixon, Manager of Regional Planning, Office of Planning and Capital Programming at 410-865-1295, toll-free at 888-713-1414 or via email at mnixon@mdot.state.md.us. Re: Amendment to the FY 2008 Maryland Statewide Transportation Improvement Program,
Baltimore Region Amendment MDOT Control #08-47

Dear Mr. Halligan:

In your letter of December 2, 2009, you requested approval of an amendment to the FY 2008 Statewide Transportation Improvement Program (STIP). This STIP amendment adds American Recovery and Reinvestment Act projects and associated funding to the FY 2008 STIP.

Since the advancement of these projects does not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2008 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of Federal funds. FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application.

Florence Bicchetti, of my staff, is available if you have any questions concerning this approval.

Sincerely,

Michele Destra
