IWIF Workers' Compensation Insurance

This report summarizes the number of claims and the paid amounts (indemnity & medical) for the period entered and the same periods within the two prior years broken down by Type. The claim classifications are sorted by the combined costs of all periods from highest to lowest. This information is derived from the data stored in the The Injured Workers' Insurance Fund (IWIF) insurance system.

* This data is updated once a month as indicated by the as of date at the top of the report.
