Mr. Don Halligan Director,

Dear Mr. Halligan:

We have completed our review of the State request (MDOT Control # 11-16) to amend the Fiscal Year (FY) 2011 Statewide Transportation Improvement Program (STIP) and FY 2011-2016 National Capital Region Transportation Planning Board Transportation (TPB)'s Transportation Improvement Program (TIP). Specifically, the STIP/TIP is being amended to include the I-95 Interchange at Contee Road Project. The total construction cost of this project is \$50,106,000 using funds from both the IM and NHS Programs.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP/TIP amendment please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

Hassan Raza
Division Administrator
