Re: Amendment to the FY 2011 State Transportation Improvement Program,  
Baltimore Metropolitan Area Amendment MDOT Control #11-66

Dear Mr. Halligan:

In a letter dated January 31, 2012, the Maryland Department of Transportation (MDOT) requested approval of an amendment to the FY 2011 State Transportation Improvement Program (STIP). This STIP amendment revises funding for previously programmed but delayed projects and adds funds for three projects – Howard Street Revitalization, Northern Police Facility Relocation, MARC Edgewood Station – located in the Baltimore Metropolitan area.

Since the advancement of these projects does not alter any conformity findings nor interfere with any State Implementation Plan projects, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP amendment is not required. In accordance with your procedures to incorporate the MTIPs into the STIP by reference, these projects are part of an approved amendment to the approved FY 2011 STIP. We hereby approve the inclusion of these projects as amendments to the STIP. This approval does not constitute an obligation of federal funds. FTA finalizes federal funding for projects included in the STIP upon approval of a grant application.

Gail McFadden-Roberts of my staff is available if you have any questions concerning this approval.

Sincerely,

Michele Destra, Director  
Office of Planning and Program Development
