Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby amends the Fiscal Year (FY) 2017 Maryland Statewide Transportation Improvement Program (STIP) to reflect the following changes to several categories of the MDOT State Highway Administration's (SHA) Areawide Program. The MDOT has designated this amendment as STIP #19-1.

Areawide Bridge Rehabilitation (RU Bridge) is adding \$1 million in design funding to the FY 2019-2022 Maryland STIP. The total cost of this project will increase from \$50 million to \$51 million.

Areawide Safety and Spot Improvements (RU Safety/Spot) is adding \$3 million in construction funding to the FY 2019-2022 Maryland STIP. This amendment ensures the FY 2019-2022 MDOT STIP reflects MDOT SHA's updated programmed safety and spot improvement expenditures in FY 2019-2022. The total cost of this project will increase from \$42 million to \$45 million.

Areawide Urban Reconstruction (RU Urban Reconstruct) is adding \$1.375 million in construction funding to the FY 2019-2022 Maryland STIP. The total cost of this project will increase from \$22 million to \$23 million.

Mr. Gregory Murrill
Ms. Terry Garcia Crews
