Subject: FY 2019-2024 TIP - Administrative Modification for MWCOG DTP Staff Action

Andrew-

MDOT SHA is looking to modify TPB 6529 MD 212A Urban Reconstruction in the FY 2019-2024 TPB TIP. This project is a \$10M-plus project that MDOT SHA is modifying to add/subtract less than 20 percent of the total existing project cost, which per the 10/29/2014 MOU between MDOT and FHWA, makes this action eligible as a modification. I've entered the applicable details in the iTIP. Please provide a TIP report .pdf and process this administrative modification.

Thanks.

Matt

SUMMARY

On November 18, 2019, Metropolitan Washington Council of Governments Department of Transportation Planning (MWCOCG DTP) staff approved the following one MDOT State Highway Administration (MDOT SHA)-requested administrative modification to the FY 2019-2024 TPB TIP.

TIP	PROJECT	PHASE	NEW FUNDING
6529 MC #19-29 11/05/2019	MD 212A Urban Reconstruction, Beltsville	CO	\$2,115,000

ANALYSIS

MD 212A Urban Reconstruction (TPB 6529 MC #19-29 11/05/2019) – This modification reflects the addition of \$2,115,000 to FY 2019-2024 TPB TIP construction funding for TPB 6529 MC #19-29 11/05/2019. This modification, which shifts previously programmed funds and adds new funds in FY 2019-2024, ensures the FY 2019-2024 TPB TIP reflects MDOT SHA’s updated programmed project expenditures and project schedule in FY 2019-2024. This project’s total cost is increasing from \$25 million to \$27 million. Per the October 29, 2014 memorandum of understanding executed by MDOT and the FHWA, this action is eligible to be processed as an administrative modification as TPB 6529 MC #19-29 11/05/2019 is a \$10 million-plus project and this action constitutes an increase in total funding no

Ms. Heather Murphy
Page Two

greater than 20 percent of existing total project cost. The MDOT SHA anticipates beginning construction in the Spring of 2020 and opening improvements to traffic in the Summer of 2022.

The attached Statewide TIP (STIP) report documents MDOT's requested modification with respect to funding for the above project. This requested action will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The modified funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. The MDOT published funding details in the FY 2019-2024 Consolidated Transportation Program (<http://www.mdot.maryland.gov/newMDOT/Planning/CTP/Index.html>) and FY 2019-2022 Maryland STIP (http://www.mdot.maryland.gov/newMDOT/Planning/STIP_TIP/STIPandTIP.html).

Please be advised of this modification to the FY 2019-2024 TPB TIP and FY 2019-2022 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions, please contact Mr. David Rodgers, MDOT SHA Regional Planner, at 410-545-5670 or via email at drodgers1@mdot.maryland.gov.
