Dan,

Please fill out this brief sheet and we can make a TIP amendment I need to also get a Frostburg Project in the TIP soon.

I don't see anything about Bel-Air in the Bike and Ped Master Plan nor the Long Range Transportation Plan.

I would be happy to write a letter on behalf of the MPO that we were not aware of the project but it will be included in our future efforts.

Let me know.

Hi Siera,

I will return this sheet ASAP for your use in developing an amendment to the TIP.

Can you please prepare a letter on behalf of the MPO stating that this project will be included in future updates to the TIP?

I need to get this submitted by week's end. If I could get a letter from you by Thursday morning, that would be terrific.

Please let me know.

Thanks,

Dan
