Dear Ms. Murphy:

We have completed our review of the State request (MDOT Control # 17-106) to amend the Fiscal Year (FY) 2017 Statewide Transportation Improvement Program (STIP) and FY 2017-2022 National Capital Region Transportation Planning Board (TPB) Transportation Improvement Program (TIP). Specifically, the STIP/TIP is being amended to add funds to MD 355 Little Bennet Creek Bridge Replacement. In addition, the State is requesting FHWA concurrence for administrative modification for both the Areawide Resurfacing/Rehabilitation & Areawide Urban Reconstruction projects.

We accept this amendment and administrative modification and find that they were developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP/TIP amendment please contact Kwame Arhin at (410) 779.7158.

Sincerely,

Gregory Murrill
Division Administrator
