The Honorable Bridget Donnell Newton, Chair
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street, N.E., Suite 300
Washington DC 20002

Dear Chairman Newton:

The Maryland Department of Transportation (MDOT) requests to amend the State Highway Administration (SHA) portion of the National Capital Region Transportation Planning Board's (TPB) Fiscal Year (FY) 2017-2022 Transportation Improvement Program (TIP) for one existing project as described below and in the attached memo. The change reflects MDOT's updated programmed expenditures from FY 2017 to FY 2022. This capacity project has already been included in the approved air quality conformity determination; the additional funds for this action do not impact or alter the project's or region's air quality conformity.

TIP ID#	Project	Phase	Amount of New Funding	Comment
3106	MD 97 at Brookeville Highway Construction, Brookeville	PP/PE RW CO	\$4,000,000 \$637,000 \$5,420,000	Add funding for planning/design, right-of-way, and construction.

MDOT requests that these amendments be approved by the TPB Steering Committee at its November 3, 2017 meeting.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.

PURPOSE OF MEMORANDUM

To request the MDOT Office of Planning and Capital Programming approve and forward to TPB for its approval the following TIP amendment.

SUMMARY

The MDOT State Highway Administration (MDOT SHA) hereby requests amendment of the FY 2017-2022 TPB TIP to reflect the following action.

TIP	Project	Phase	New Funding
3106 MC #17-56 09/19/2017	MD 97 at Brookeville Highway Construction, Brookeville	PP/PE RW CO	\$4,000,000 \$637,000 \$5,420,000

ANALYSIS

MD 97 at Brookeville Highway Construction (TPB 3106 MC #17-56 09/19/2017) – This amendment reflects the addition of FY 2017-2022 TPB TIP planning/design, right-of-way acquisition, and construction funding for TPB 3106 MC #17-56 09/19/2017. This amendment ensures the FY 2017-2022 TPB TIP reflects MDOT SHA’s updated programmed expenditures in FY 2017-2022. The total cost of this project will increase from \$43 million to \$52 million. MDOT SHA anticipates advertising this project for construction in the Fall of 2017 and opening improvements to traffic in the Winter of 2019-2020.

The attached Statewide TIP (STIP) report documents MDOT’s requested amendment with respect to funding for the above project. This requested action will not impact scheduling or funding availability

Ms. Heather Murphy

for other projects in the current STIP, which remains fiscally constrained. The amended funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. MDOT published funding details in the FY 2017-2022 Consolidated Transportation Program (http://www.mdot.maryland.gov/Office_of_Planning_and_Capital_Programming/CTP/Index.html) and FY 2017-2020 Maryland STIP (http://www.mdot.maryland.gov/newMDOT/Planning/STIP_TIP/Documents/2017_STIP_Draft_053116.pdf).

Please amend the FY 2017-2022 TPB TIP and FY 2017-2020 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions, please contact Mr. Matt Baker, MDOT SHA Regional Planner, at 410-545-5668 or via email at mbaker4@sha.state.md.us.
