Dear Ms. Murphy:

We have completed our review of the State request (MDOT Control # 17-03) to amend the Fiscal Year (FY) 2017 Statewide Transportation Improvement Program (STIP) to include the following projects in FY 2017-2020 Baltimore Regional Transportation Board (BRTB) Transportation Improvement Program (TIP): I 83 Joint Repairs; Inner Harbor Water Taxi Terminal; and Key Highway and Light Street Intersection Improvement. Additionally, we have modified the STIP for the following four projects: Hanover Street Bridge Deck Repairs over Middle Branch; Hawkins Point Bridged over CSX Railroad; Citywide Road Resurfacing and Citywide System Preservation

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Kwame Arhin at (410) 779.7158.

Sincerely,

Gregory Murrill
Division Administrator
