

MARYLAND BOARD OF AIRPORT ZONING APPEALS

Notice of Hearing

The Maryland Board of Airport Zoning Appeals (BAZA) will hold a hearing on Monday, September 24, 2018. The hearing will begin at 10:00 a.m. in the Board Room of the Maryland Department of Transportation located at 7201 Corporate Center Drive, Hanover, Maryland 21076. The Board will hear the following case(s):

Docket Number 411

Northrop Grumman Corporation is proposing to utilize a temporary crane for the replacement of a Cooling Tower Unit on the building rooftop at 7323 Aviation Boulevard, Linthicum, Maryland 21090. This location is approximately 1,350 feet west of Runway 15R at Baltimore Washington Thurgood Marshall International Airport (BWI Marshall). The proposed height of the temporary crane is 230 feet above ground level (AGL)/333 feet mean sea level (MSL). The temporary crane height will exceed the Code of Federal Regulations (FAR) Part 77, Objects Affecting Navigable Airspace by 110 feet. The Appellant has filed FAA Form 7460-1, Notice of Proposed Construction or Alteration (ASN# 2018-AEA-9507-OE) with the Federal Aviation Administration and is awaiting their case determination. Code of Maryland Regulations (COMAR) 11.03.06.03 and 11.03.06.04 - Height Limits in Airport Districts, enables the proponent to seek a variance from the Board of Airport Zoning Appeals for any proposed penetration of FAR Part 77. Therefore, the Maryland Aviation Administration will present BAZA Case 411 to the Board of Airport Zoning Appeals September 24, 2018 at 10:00 a.m.
