.05 Removal from the Program.

A. (text unchanged)

B. The Administration may extend the participant's required period of participation [in the Program by 30 days instead of removal for a violation set forth in Regulation .04 of this chapter.]:

(1) By 30 days for a violation of the Programs requirements set forth in Regulation .04A(6), (7), (8), or (10); or

(2) By 90 days from the date of a violation if in the last three months before a participant's date of release from the program:

a. The participant violates the requirements set forth in Regulation .04A(7); or

b. The participant attempts to start a vehicle with a breath alcohol concentration of 0.04 percent or more, unless there is a subsequent test reading within ten minutes that indicates a breath alcohol concentration below 0.04 percent.

C. The Administration shall remove [any] a participant from the Program and reinstate the original suspension or revocation if the Administration [who is in] finds any violation of Program requirements [during more than three monthly monitoring cycles] *set forth in Regulation .04A(1), (2), (3), (4), (5), (9), (11), (12), or (13).*
