The purpose of this review and evaluation is to determine whether existing regulations continue to accomplish the purposes for which they were adopted, clarify ambiguous or unclear language, and repeal obsolete or duplicative provisions. Pursuant to its work plan, MVA and MSP will evaluate the need to retain, amend, or repeal the regulations based on whether the regulations:

- Continue to be necessary for public interest;
- Continue to be supported by statutory authority and judicial opinions;
- Are obsolete or otherwise appropriate for amendment or repeal;
- Continue to be effective in accomplishing the intended purposes of the regulations

MDOT would like to provide interested parties with an opportunity to participate in the review and evaluation process by submitting comments on the regulations. The comments may address any concerns about the regulations. If the comments include suggested changes to the regulations, please be as specific as possible and provide language for the suggested changes. Comments must be received by 8/27/2025.

Comments should be directed to Tracey C. Sheffield, Regulations Coordinator, Motor Vehicle Administration, 6601 Ritchie Highway, N.E., Room 102, Glen Burnie, Maryland 21062 or by email to tsheffield@mdot.maryland.gov.
