MARYLAND BOARD OF AIRPORT ZONING APPEALS

Notice of Hearing

The Maryland Board of Airport Zoning Appeals (BAZA) will hold a hearing teleconference Monday, August 15, 2022. The hearing will begin at 10:00 am. The public call-in number is +1 443-409-5228; Conference ID: 290 965 584#. The Board will hear the following case(s):

Docket Number 428

L.R. Willson & Sons, Inc. is proposing to utilize a temporary crane during construction of a parking garage located at 7565 Harmans Road, Harmans, Maryland. This location is approximately 9,700 feet southwest of Runway 10 at Baltimore Washington Thurgood Marshall International Airport. The proposed height of the temporary crane is 240 feet above ground level (AGL)/365 feet mean sea level (MSL). The temporary crane height will exceed the Code of Federal Regulations (FAR) Part 77, Objects Affecting Navigable Airspace by 72 feet. The Appellant has filed and received a "Determination of No Hazard to Air Navigation" (ASN# 2022-AEA-10389-OE) from the Federal Aviation Administration. Code of Maryland Regulations (COMAR) 11.03.06.03 and 11.03.06.04 - Height Limits in Airport Districts, enables the proponent to seek a variance from the Board of Airport Zoning Appeals (BAZA) for any proposed penetration of FAR Part 77. Therefore, the Maryland Aviation Administration will present BAZA Case 428 to the Board of Airport Zoning Appeals Monday, August 15, 2022, at 10:00 am.
