

## **MARYLAND BOARD OF AIRPORT ZONING APPEALS**

Maryland Department of Transportation  
7201 Corporate Center Drive  
Hanover, MD 21076

### **Notice of Hearing**

The **Maryland Board of Airport Zoning Appeals (BAZA) Case 439** hearing teleconference will be held via Microsoft Teams on **Monday, June 22, 2026**. The hearing will begin at **10:00AM**.

The public call-in number is +1 667-262-2962; Conference ID: 204 950 853#.

The Board will hear the following case(s):

**Docket Number 439**

**Appellant:** Kevin Wedekind, Bay Crane Mid-Atlantic

BAZA Case 439 regarding Temporary Crane Operations at 415 Melrose Ave., Hilltop Elementary School, Glen Burnie, MD 21061

Bay Crane is proposing to utilize a temporary crane to replace multiple air conditioning units atop a building roof located at 415 Melrose Ave, Glen Burnie, MD. This location is approximately 7,060 feet northeast of Runway 33R at Baltimore Washington Thurgood Marshall International Airport (BWI Marshall). The proposed height of the temporary crane is 265 feet Above Ground Level (AGL) / 426 feet Mean Sea Level (MSL). The temporary crane height will exceed the Code of Federal Regulations (FAR) Part 77, Objects Affecting Navigable Airspace by approximately 133 feet. The Appellant has filed for a "Determination of No Hazard to Air Navigation" (ASN# 2026-AEA-3804-OE) to the Federal Aviation Administration. Code of Maryland Regulations (COMAR) 11.03.06.03 and 11.03.06.04 - Height Limits in Airport Districts, enables the proponent to seek a variance from the Board of Airport Zoning Appeals for any proposed penetration of FAR Part 77. Therefore, the Maryland Aviation Administration requests to present BAZA Case 439 to the Board of Airport Zoning Appeals in June 2026.

For additional information, please contact Sharese Ricks, Secretary to BAZA at 410-865-1233.

Appropriate auxiliary aids and services for qualified individuals with disabilities will be provided upon request. Please call 410-865-1233 (voice) or MD Relay (TTY Users).
