Notice of Hearing

The Maryland Board of Airport Zoning Appeals (BAZA) will hold a hearing on August 4, 2023. The teleconference meeting will begin at 10:00 a.m. via Microsoft Teams. The public call-in number to access the meeting is 1-443-409-5228. The passcode to access the meeting is 312 067 911. The board will hear the following case:

This is a rescheduling of BAZA Docket Number 429 (Temporary Crane Operations at 1212 Winterson Road, Linthicum, MD 21090), which was previously scheduled on July 31, 2023. Northrop Grumman Corporation is proposing to utilize a temporary crane for building construction located at 1212 Winterson Road, Linthicum, MD 21090. This location is approximately 7,400 feet north of Runway 15R at Baltimore Washington Thurgood Marshall International Airport (BWI Marshall). The proposed height of the temporary crane is 150 feet above ground level (AGL)/337 feet mean sea level (MSL). The temporary crane height will exceed the Code of Federal Regulations (FAR) Part 77, Objects Affecting Navigable Airspace by 44 feet. The Appellant has filed for a "Determination of No Hazard to Air Navigation" (ASN# 2023-AEA-4355-OE) from the Federal Aviation Administration. Code of Maryland Regulations (COMAR) 11.03.06.03 and 11.03.06.04 - Height Limits in Airport Districts, enables the proponent to seek a variance from the Board of Airport Zoning Appeals for any proposed penetration of FAR Part 77. Therefore, the Maryland Aviation Administration requests to present BAZA Case 429 to the Board of Airport Zoning Appeals.
