Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby amends the Fiscal Year (FY) 2019 – 2022 Maryland Statewide Transportation Improvement Program (STIP) to reflect the following changes for the Statewide Planning and Research Program to the highway section of the FY 2019 Statewide Transportation Improvement Program (STIP). The MDOT has designated this modification as Control #19-129, and the supporting documentation is attached.

This amendment reflects changes in funding to the FY 2019-2022 Maryland STIP to including projects in the FY 2022 SPR-Part I work program funded with \$30,718,000 in a Surface Transportation Block Grant.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained.

Mr. Gregory Murrill
Ms. Terry Garcia Crews
