Good Afternoon Siera,

It is my pleasure to inform you that the proposal from the County Commissioners of Allegany County has been selected as one of the new Statewide Transit Innovation Grant (STIG) Projects for the amount of \$210,000. The MDOT MTA project team is looking forward to working with you as you embark on this important endeavor.

Additional details will be provided in the coming weeks. Governor Hogan has just issued a press release regarding the awards, and an official letter confirming the award will be sent to you shortly. Please note that no reimbursable expenses may be incurred until the project Grant Agreement is executed by both the Grantee and grantor. Grantee expenditures on the project that appear in an approved budget as counting toward their project match, however, may be expended beginning on the date of the grant award and prior to final execution of a signed Grant Agreement.

Again, congratulations on your award. We look forward to working with you.

Regards,

Kate Sylvester

MARYLAND TRANSIT ADMINISTRATION (MDOT MTA)  
STATEWIDE TRANSIT INNOVATION GRANT APPLICATION  
Call for FY 2020 Projects**

The Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) Statewide Transit Innovation Grant is a competitive grant program that supports local efforts to improve transit reliability, improve access and connections to activity centers, and improve transit mobility options. The program will fund cost-effective public transportation projects that reduce delays for people and improve connectivity between regional and economic population centers. Projects may incorporate bus, rail, or other transit modes, including bus rapid transit. The program supports the transportation goals outlined in the Maryland Transportation Plan.
