Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby modifies the Fiscal Year (FY) 2019 – 2022 Maryland Statewide Transportation Improvement Program (STIP) This modification reflects a decrease in Section 5339 funding to the statewide transit portion of the STIP. The MDOT has designated this administrative modification as Control #19-39.

This administrative modification specifically decreases Section 5339 funding in the total amount of \$887,000. This decrease is attributed to the difference in estimated funding versus actual need. Garrett County and Queen Anne’s County will be receiving two small replacement buses each, and Talbot County will be receiving one small replacement bus and one van replacement. The supporting documentation is attached.

SUBJECT: Administrative Modification to the FY 2019-2022 STIP

MDOT MTA is requesting an administrative modification to the FY 2019-2022 STIP for capital assistance, STIP ID # MTA-2017-03. MDOT MTA is decreasing Section 5339 Federal funding in the amount of \$887K. This discrepancy can be attributed to estimated funding compared to actual need.

Garrett County and Queen Anne's County will both be receiving two small replacement buses, while Talbot County will be receiving one small replacement bus and a van replacement.

The proposed action will not impact scheduling or funding availability for other projects in the current STIP, which continues to be fiscally constrained.

After your review, please process the requested administrative modification for inclusion in the 2019-2022 STIP. If you have any questions, please do not hesitate to contact Ms. Lara Bachman, MDOT MTA Office of Planning and Capital Programming, at 410-767-3135 or via email at lbachman@mdot.maryland.gov.
