Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby modifies the Fiscal Year (FY) 2019 – 2022 Maryland Statewide Transportation Improvement Program (STIP) to reflect the following modification to the transit portion of the Cumberland Area Metropolitan Planning Organization (CAMPO) FY 2019 – FY 2022 Transportation Improvement Program (TIP). The MDOT has designated this administrative modification as Control #19-41.

This administrative modification increases Section 5339 funding for capital assistance for Allegany County Transit by \$182,805 in Fiscal Year 2020. This funding will be used to replace one medium duty bus and one small cutaway bus. Section 5307 funds for capital assistance are also being decreased by \$18,000 in Fiscal Year 2020. This funding source provides fiscal assistance for preventative maintenance. The supporting approval and documentation are attached.

**SUBJECT:** Administrative Modification to the FY 2019-2022 CAMPO TIP

MDOT MTA is requesting an administrative modification to the FY FY 2019-2022 CAMPO TIP for capital assistance, TIP ID # ACT2019-5307.

MDOT MTA is increasing Section 5339 federal funding for capital assistance by \$183K in FY20. This discrepancy in funding can be attributed to estimated funding compared to actual need. This source of funding will be used to replace one (1) heavy duty bus and one (1) small cutaway bus.

Conversely, MDOT MTA is decreasing Section 5307 federal funding for capital assistance by \$18K in FY20. This source of funding will be used to provide continued preventive maintenance throughout the region.

The proposed action will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained.

After your review, please process the requested administrative modification for inclusion in the FY 2019-2022 CAMPO TIP. If you have any questions, please do not hesitate to contact Ms. Lara Bachman, MDOT MTA Office of Planning and Capital Programming, at 410-767-3135 or via email at [lbachman@mdot.maryland.gov](mailto:lbachman@mdot.maryland.gov)
