Ms. Terry Garcia Crews
Regional Administrator
Attn: Mr. Ryan Long
Federal Transit Administration
1835 Market Street Suite 1910
Philadelphia PA 19103

Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby requests to amend the Fiscal Year (FY) 2019 – 2022 Maryland Statewide Transportation Improvement Program (STIP) to reflect the following amendment for the Statewide Planning and Research Program to the rural portion of the highway section of the FY 2019 Statewide Transportation Improvement Program (STIP). The MDOT has designated this amendment as Control #19-71, and the supporting documentation is attached.

This requested amendment reflects the addition to the FY 2019-2022 Maryland STIP of a new project, SP2101, and the addition of \$20,897,000 to SP2101 planning funding. This project will allow the MDOT State Highway Administration (MDOT SHA) to cooperatively, continuously, and comprehensively make transportation investment decisions and coordinate transportation planning activities throughout Maryland. The project supports major strategic and systems planning, data collection and analysis, and special studies. The funding added by this amendment covers MDOT SHA's programmed expenditures for FY 2021.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained.

Mr. Gregory Murrill
Ms. Terry Garcia Crews

SUBJECT: REQUEST TO AMEND THE FY 2019-2022 MARYLAND STATEWIDE
TRANSPORTATION IMPROVEMENT PROGRAM (STIP)

DATE: JULY 20, 2020

**RESPONSE
REQUESTED BY:** N/A

PURPOSE OF MEMORANDUM

To request the MDOT Office of Planning and Capital Programming approve and forward to the Federal Highway Administration (FHWA) for its approval the following STIP amendment.

SUMMARY

The MDOT State Highway Administration (MDOT SHA) hereby requests amendment of the FY 2019-2022 Maryland STIP to reflect the following action.

STIP	PROJECT	PHASE	NEW FUNDING
SP2101	Statewide Planning and Research Program	PP	\$20,897,000

Statewide Planning and Research Program (SP2101) – This requested amendment reflects the addition to the FY 2019-2022 Maryland STIP a new project, SP2101, and the addition of \$20,897,000 to SP2101 planning funding. This project enables MDOT SHA to cooperatively, continuously, and comprehensively make transportation investment decisions and coordinate transportation planning activities throughout Maryland. The project supports major strategic and systems planning, data collection and analysis, and special studies. The funding added by this amendment covers MDOT SHA’s programmed expenditures for FY 2021.

The attached Statewide TIP (STIP) report documents MDOT’s requested amendment with respect to funding for the above project. This requested action will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The amended funding does not

Ms. Heather Murphy
Page Two

affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. The MDOT published funding details in the FY 2020-2025 Consolidated Transportation Program (<http://www.mdot.maryland.gov/newMDOT/Planning/CTP/Index.html>) and FY 2019-2022 Maryland STIP (http://www.mdot.maryland.gov/newMDOT/Planning/STIP_TIP/STIPandTIP.html).

Please amend the FY 2019-2022 Maryland STIP to reflect the funding information provided in the attachment. If you have any questions, please contact Mr. Matt Baker, MDOT SHA Regional and Intermodal Planning Chief, at 410-545-5668 or via email at mbaker4@mdot.maryland.gov.
