What is the Guaranteed Ride Home (GRH) Program?

GRH provides free rides home for registered commuters who work in Washington D.C., Maryland Counties: Anne Arundel, Baltimore, Calvert, Carroll, Cecil, Charles, Frederick, Harford, Howard, Montgomery, Prince George's, and St. Mary's, as well as select Maryland cities, Virginia Counties, and Virginia Cities who carpool, vanpool, take transit, bike or walk to work at least twice a week. For a complete list of areas of service visit: CommuterConnections.org

How does the program work?

In the event of a personal or family illness, emergency, or unscheduled overtime at work, GRH will arrange for a free taxi ride, transit ride, or even a free rental car up to four times each year to get you home. After GRH approves your ride request, you will receive an authorization number and your ride will be arranged.

How do I register for GRH?

1. Review the participation guidelines to confirm that you qualify. A complete list of participation guidelines is available in the GRH section at CommuterConnections.org
2. Complete the registration form at CommuterConnections.org
3. Receive an official registration letter and GRH ID.

Do I only register one time for GRH?

No. You must re-register annually to maintain free program participation.
