PURPOSE OF MEMORANDUM

To request OPPPD request HEPMPO to approve the following TIP amendment and, upon HEPMPO approval, notify the Federal Transit Administration (FTA) of the amendment to the HEPMPO FY 2025-2028 TIP. This amendment creates a new project for the Washington County Bus Facility Project, which was awarded a BUILD grant for NEPA and final design activities.

SUMMARY

The MTA requests that HEPMPO amend the FY 2025-2028 HEPMPO TIP to reflect the following action in FY 26.

TIP	PROJECT	TYPE	New Funding
WT2026-01	Washington County Bus Facility Project	BUILD	\$2,832,390
		Local	\$0

ANALYSIS

Washington County was awarded \$2,832,390 in an FY 25 Better Utilizing Investments to Leverage Development (BUILD) discretionary grant to complete the NEPA process and final design for a new administrative, maintenance, and transit vehicle storage facility in Hagerstown. The Federal award has no local match requirement. This amendment will establish the project and grant funding within the TIP. The funds are in FY 26, the anticipated year of obligation for the grant funds.

The attached Statewide Transportation Improvement Program (STIP) report documents MDOT's requested amendment with respect to funding for the project above. The requested action will not impact scheduling or funding availability for other projects in the current STIP, which continues to be fiscally constrained.

Please amend the FY 2025-2028 HEPMPO TIP and the FY 2025-2028 STIP to reflect the funding information provided in the attachments. If you have any questions, please do not hesitate to contact Mr. Stephen Miller, Chief of Strategic Planning, Statewide Project Development, at smiller6@mta.maryland.gov.
