Re: Amendment to the FY 2025-2028 Maryland Statewide Transportation Improvement Program, MDOT Control #25-52

Dear Mr. Janousek:

The Maryland Department of Transportation (MDOT) has requested approval of an Amendment to the FY 2025-2028 Statewide Transportation Improvement Program (STIP) (Control #25-52 dated October 27, 2025). This Amendment increases funding for Bus and Paratransit Vehicle Overhaul and Replacement project by adding \$29.8M in CMAQ funding and \$1.737M in Section 5339 funding; and the Zero Emission Infrastructure and Rolling Stock project by adding \$12.320M in CMAQ funding and \$18.893 in CRP funding. The project changes were approved by the Baltimore Regional Transportation Board (BRTB) for inclusion into its FY2026-2029 Transportation Improvement Program (TIP) on October 24, 2025.

Project Name	STIP #	Federal Funding Source	FY25-FY28 Net Federal Change (in 000's)
Bus and Paratransit Vehicle Overhaul and Replacement	40-1802-05	CMAQ	\$29,800
		5339	\$1,737
Zero Emission Infrastructure and Rolling Stock	40-2302-63	CMAQ	\$12,320
		CRP	\$18,893

Based on our review of the information provided, the FTA and FHWA hereby approve this Amendment to the STIP and finds it consistent with the requirements of 23 U.S.C. 135 and 49 U.S.C. 5304. This approval does not constitute an obligation of Federal funds. FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application. Melanie Haake is available at melanie.haake@dot.gov, if you have questions concerning this approval.

Sincerely,

Laura Keeley, Director
Office of Planning and Program Development
Federal Transit Administration Region III
