**Re: Amendment to the FY 2019 Maryland Statewide Transportation Improvement Program,
MDOT Control #19-86**

Dear Ms. Murphy:

The Maryland Department of Transportation (MDOT) requested approval of an Amendment to the FY 2019 Statewide Transportation Improvement Program (STIP) (Control #19-86 dated November 24, 2020). This Amendment adds a new project for the Maryland Transit Administration on behalf of Bayside Community Network, in the amount of \$40,000 Federal through FTA's FY20 Mobility for All Pilot Discretionary Program, as authorized in Section 3006(b) of the Fixing America's Surface Transportation (FAST) Act. This new project (TIP ID# MTA Line 52) was approved by the WILMAPCO Council on November 12, 2020.

Per agreement, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP Amendment is not required. Based on our review of the information provided, the FTA hereby approves this Amendment to the STIP and finds it consistent with the requirements of 23 U.S.C. 135 and 49 U.S.C. 5304. This approval does not constitute an obligation of Federal funds. FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application.

Mr. Ryan Long, Community Planner, of my staff, is available at (215) 656-7051 if you have questions concerning this approval.

Sincerely,

Kathleen Zubrzycki, Director
Office of Planning and Program Development
