MDOT SHA Plat No.: 62088

STANDARD CONDITIONS, RESERVATIONS AND COVENANTS GOVERNING THE SALE OF REAL PROPERTY:

The attention of all prospective buyers is called to the fact that each and every Offer for Purchase of Fee Simple Property submitted to the State Highway Administration (SHA) and sale of Real Property by SHA shall be subject to each and every condition hereinafter set forth, in addition to any "Special Stipulations" as set out in the Offer for Purchase of Fee Simple Property or other documents which apply to the specific property or properties. **It is therefore of the utmost importance that all buyers carefully review** these "Standard Conditions, Reservations and Covenants Governing the Sale of Real Property" as well as the "Additional Conditions and Disclosure Information" and other documents governing the sale before submitting any offer or executing a right to reacquire property under the provisions of Section 8-309 of the Transportation Article of the Annotated Code of Maryland (§8-309).

1. Except as otherwise provided in § 8-309 or other governing law, the SHA reserves the right to reject any and all offers to purchase or acquire any property offered for sale by the SHA and it reserves the right thereafter to sell any or all of said premises at public or private sale in whatever manner the SHA may determine, without any further obligation or liability to the buyer.
2. Under the provisions of §8-309:
 - a. If the parcel is sold at Public Auction it is only necessary for the MDOT SHA Administrator to execute and deliver the deed conveying the land to the buyer.
 - b. Except for parcels sold at Public Auction, the deed conveying this property must be executed by the SHA Administrator and the Board of Public Works (BPW); therefore, no offer of this type is accepted and no sale of this type is final until the BPW has approved it. Additionally, no sale of this type is final until delivery of the executed deed.
3. The special SHA plat or plats (if any) prepared for the property now being considered show only the approximate boundaries of said property. Said boundary lines were not established by actual survey and, therefore, any additional surveys that the buyer may elect to have made to further satisfy himself or herself as to the exact boundary lines of said property shall be performed at the sole expense of the said buyer.
4. Any title examinations that the buyer may desire to make shall be made at the sole expense of said buyer.
5. The buyer shall assume the cost of all recording fees and charges and State and Federal Revenue Tax charges and other similar expenses, which may be required in order to record any deed or deeds to the property being offered for sale. If the Deed is not recorded within 30 days after the date of settlement MDOT reserves the right to pursue all remedies including, but not limited to: a) recording a duplicate original deed executed by the Board of Public Works in the Land Records; b) recovering all damages caused by the failure to record the Deed including, but not limited to, recording fees and property taxes advanced in connection with the recording and all staff time; and/or c) seeking a declaratory judgment that the sale was a nullity, reselling the property, and refunding the balance of any funds already paid after all damages incurred by the failure to record the Deed have been calculated and deducted by MDOT.
6. The quit claim deed or deeds by which the SHA will convey said property to the buyer will convey all of the SHA's right, title, and interest as conveyed to the SHA by the deed or deeds on record to the SHA for the land covered by the proposed sale. The said deed or deeds to said buyer will contain the following reservations, restrictions and covenants, which shall run with and bind the land to be conveyed, and which shall also be binding upon the buyer (grantee) and the heirs, successors and assigns of said grantee forever.

Where BPW approval is required no sale is final until the BPW approves the sale and the deed executed by the BPW is delivered.
12. If the buyer should fail to transmit a certified or cashier's check covering the balance of the sales price to the SHA within 90 days of the date he/she is notified (Notice of Approval of Sale) that the executed deed is ready for delivery, then the SHA may automatically retain the full amount of any "deposit monies" held and thereafter dispose of the property in whatever manner the SHA may determine, without any further obligation or liability to the buyer, who thus fails to pay the balance due as specified. ADDITIONAL CONDITIONS AND DISCLOSURE INFORMATION

Property Conditions and Disclosures:

1. The subject property does not have zoning. Per Garrett County Planning and Zoning, it qualifies as a residential building lot if it is approved for septic system by the Health Department. Per the Health Department, "Being that the septic permit is from 1958 and with the home being torn down, this office would require a percolation test to be conducted to determine if a dwelling can be built in this location. There would need to be enough room for a sewage disposal system and a backup area. Plus, the sewage disposal area would need to be at least 100' from the existing well or have the current well be abandoned by a well driller and a new well drilled meeting the 100' requirement". All zoning and use determinations will be made by Garrett County, Maryland. State Highway Administration (SHA) offers no warranty as to zoning or permitted use.
2. SHA considers the highest and best use of the subject property is for development as a residential property.
3. The property is accessible via MD Route 135 (Maryland Highway). The property will be sold subject to 0.095-acre perpetual easement for ingress and egress to the adjoining property owner (Deer Park Sportsmen's Club, Inc.). A portion of the property to be conveyed crosses into a driveway that the adjoining owner uses to access their property. This access easement will avoid landlocking the adjoining owner's property.
4. The property does not have a Tax Account No. and adjoins Tax Map 79, and Parcel 39.
5. The area is serviced by electric, private sewer, and water.

Sale Policy Conditions and Disclosures:

This property will be sold in "as is, where is" condition. It is the responsibility of the buyer to conduct their due diligence of the subject property prior to executing and submitting the Offer for Purchase of Fee Simple Property.

The buyer will provide the grantee information to appear on the deed. He, she, they will also sign all pages of the Offer for Purchase of Fee Simple Property. The terms of the sale are such that the SHA, Office of Real Estate will recommend approval of the sale to the SHA Administrator and, where it is required, the Federal Highway Administration (FHWA). After all recommendations are received, the SHA Administrator and/or the Board of Public Works (BPW), shall decide to accept or reject the sale.

If the sale is accepted the buyer will be sent a "Notice of Approval of Sale" and the buyer will be expected to settle on the property within 90 days. This time period or any terms and conditions can only be modified, in writing, by the Chief, Office of Real Estate and Economic Development (ORED), Maryland Department of Transportation (MDOT). An extension may be granted at the sole discretion of the ORED Chief and may require an additional deposit from the buyer. A right of entry or access to the property by the buyer may be permitted prior to final settlement and will exist in accordance with the terms of a lease of nominal value, or by written approval by the ORED Chief.

If the sale is rejected all deposit monies will be returned to the buyer and the property may be disposed of in whatever manner MDOT may determine, without any further obligation to the buyer.

Important Notice: All disclosure information contained herein is subject to independent verification by any and all interested parties; whereas, it is believed to be accurate it is in no way warranted.
